The Spirit of Cricket

Cricket owes much of its appeal and enjoyment to the fact that it should be played not only according to the Laws, but also within the Spirit of Cricket.

The major responsibility for ensuring fair play rests with the captains, but extends to all players, umpires and, especially in junior cricket, teachers, coaches and parents.

Respect is central to the Spirit of Cricket.

Respect your captain, team-mates, opponents, and the authority of the umpires.

Play hard and play fair.

Accept the umpire's decision.

Create a positive atmosphere by your own conduct and encourage others to do likewise.

Show self-discipline, even when things go against you.

Congratulate the opposition on their successes and enjoy those of your own team.

Thank the officials and your opposition at the end of the match, whatever the result.

Cricket is an exciting game that encourages leadership, friendship, and teamwork, which brings together people from different nationalities, cultures, and religions, especially when played within the Spirit of Cricket.

(taken from the MCC Laws of Cricket, 2017 code as revised)

Social Media Policy

Background

SECA recognises that social media is an important part of the way members communicate. Members are actively encouraged to participate in social media and share their experiences in cricket.

SECA recognises the importance of the internet to improve and increase the flow of information, shaping public thinking about our organisation, members, sponsors, and stakeholders.

Accordingly, SECA will look to develop and maintain its own online social media presence through which it hopes to deliver content to its members and the public to develop and increase opportunities to play cricket in our region.

Social media is a broad and changing concept. It generally refers to interactive electronic forums or online media where people are communicating, posting participating, sharing, networking, or bookmarking.

For the purposes of this by-law, social media extends to:

- Electronically communicated material, whether written, photographic, video, or audio, which is accessible by more than the member alone
- Social Media websites such as Facebook, YouTube, Twitter, Instagram, LinkedIn, Wikipedia, Flickr and related domains
- Blogs; social networking sites; instant messaging; social bookmarking, media sharing and collaborative editing websites
- Any other forum which might reasonably be classified as social media as that term is generally understood; and
- · Any other forum for public comment

Guidelines

When using social media, a person must not:

- Abuse others or expose others to content that is offensive, inappropriate or for an illegal purpose
- Impersonate or falsely represent any other person, including SECA or another member
- Abuse, harass or threaten any other person, including SECA or another member
- · Make defamatory, racial, or slanderous comments
- Use obscene, offensive, insulting, provocative or hateful language
- Post material that infringes the intellectual property right of others
- Intrude upon the privacy of other members of SECA without the consent of such members
- Interfere with the conduct of any event run by SECA
- Comment in a way that may be construed as harming the reputation of person/s, organisations or SECA, including sponsors and stakeholders

The Australian Cricket "Looking After our Kids" Code of Behaviour sets out the expectations or acceptable behaviour for Australian Cricket Personnel, Australian Cricket Players and Cricket Participants when interacting with Children or Young People, including with respect to use of electronic or online communications.

All email, text messages and other messages, including group/team messages sent to a Child or Young Person should include their parent or guardian as well as to a Nominated Supervisor or Person in Authority (or other contact nominated by the Affiliated Association or Club) of the Affiliated Association or Club.

Communication must:

- be restricted to issues directly associated with delivering our sport, such as advising that a scheduled event is cancelled
- personal or social content limited only to convey the message in a polite, and friendly manner. In particular:
 - o not include anything that may be perceived as being sexual in nature
 - not be used to promote unauthorised 'social' activity or to arrange unauthorised contact
 - not include a request for a Child or Young Person to keep a communication a secret from their parents; and
 - not include a request to 'add as a friend', 'follow' or communicate with Children or Young People using Facebook, Instagram, Twitter, Twitch, Snapchat, TikTok (or other social networking sites), Internet chat rooms or similar forums, game sites or instant messaging

Complaints

Any person may report a complaint about a person/s or organisation bound by this policy.

If they believe that a person/s or a sporting organisation has breached this policy, a complaint should be reported to SECA in writing to the General Manager by email at admin@secacricket.com.au.

A complaint may be reported as an informal or formal complaint.

All complaints will be taken seriously and dealt with promptly and confidentially.

Consequences

SECA and its members continually monitor online activity in relation to the social media of SECA and members. SECA encourages members to report detected breaches or suspected breaches of this policy to SECA, including any use of social media which is likely to harm SECA's reputation.

Any person/s or organisation that are found to have breached this SECA Social Media Policy, will face investigation by SECA. Failure to comply with these guidelines may result in disciplinary action, which will be determined at the discretion of SECA

In serious cases, players/s or organisations face suspension from games or official positions.

SECA expressly reserves the right to take any action, including dealing directly with Social Media providers, to remove any posted material that it considers to be in breach of this By-law.

In serious situations, Victoria Police and Cricket Victoria may be involved should the nature of the breach warrant escalation.

Summary of changes in this edition

Rule changes, including by-law amendments, are initiated by SECA clubs or the SECA Executive and will mostly have required club voting endorsement.

- Club survey at the end of season 22/23
- Formal by-law proposals in July 2023
- Other changes

Note: Not all changes that are happening as a result of adoption of the PlayHQ system have been incorporated into the SECA By-Laws yet. eg. re Transfers and Permits.

The following is a summary of the major changes from this season onwards:

Club Survey

By-Law 4.6.7 Player interchange rule
By-Law 7.1 Player interchange rule
Dress code
The rules requiring substantially white sox and shoes have been relaxed such that it applies in Shield grade games only now.

By-Law amendments survey

By-Law 3.6.1.1	Finals qualification	Introduce a new requirement for finals qualification under the consecutive teams rule, where a player must have been named in a minimum of 2 games in a grade (or below) to qualify
By-Law 4.1.2	Match points	Change the number of points allocated to a team receiving a forfeit, and then the entire round is cancelled, from 6 to 3 points.
By-Law 4.6.4	New Players	Clarify that there can be no new-to-the-club players in the last 2 rounds for any Shield grade game.
By-Law 4.12	Rescheduled games	Do not allow a scheduled Shield grade two-day

descheduled games

Do not allow a scheduled Shield grade two-day game to revert to a one-day game at the discretion of the clubs, it needs to be approved in advance by the SECA secretary. With Shield grades now excluded and Reduced Overs grades consisting of one-day games only this season, the rule effectively applies only to

Standard Grade.

By-Law 9.1.3 Heat rule Shield grade games are now 39 degrees Celsius Standard & Reduced grades are 37 degrees

Other changes

- The list of "Club Responsibilities" has been updated to include:
 - o Reminder re the Player Points now being a club responsibility to enter the data.
 - PPS data for players must be entered by Friday eve at 8:00pm before a game
 Games being live scored must have all teams entered by 11:30am on the morning of a match
- In By-Law 4, some text has been numbered, purely for the benefit of appearing in the table of contents
- Under Club Responsibilities, clubs are now obliged to respond to SECA online surveys or risk a fine. These surveys are an important tool in shaping the association's future. Nb. Not all surveys are relevant to all clubs, so some clubs will not receive the survey in the first instance.
- Inclusion of new content, such as The Spirit of Cricket, Social Media policy etc.
- Incorporation of elements of the separate Juniors document that has evolved in recent years, pending the formal adoption into by-laws

Umpires

The amounts payable to Umpires have been increased for seasons 23/24 and 24/25. Refer to the new numbered section at the start of By-Law 4.

SECA Modifications to the Laws of Cricket

The Marylebone Cricket Club, the sole authority on the Laws of Cricket, carried out a complete revision and rewrite of the Laws of Cricket that took effect worldwide on October 1st 2017, reviewed again since and most recently in mid-2022.

Due to the nature of our competition, the SECA Executive, in consultation with SECUA representatives, determined that the following variations to the new Laws will apply in SECA matches. These have been kept to a minimum for simplicity and to limit confusion.

a. Law 1 Replacement Players

At the time of going to print, SECA are yet to finalise an ongoing policy on replacement players in circumstances such as Covid19, concussion etc. It will be updated here in a future edition of the handbook as it becomes available. Meanwhile please refer to the SECA General Manager for more information.

b. Law 24 Fielders' Absence; Substitutes

Under the previous Laws, a period of grace of 15 minutes was allowed for absence from the field before any Penalty time was applied to a team member being able to bowl upon their return to the field. The new Law has withdrawn any period of grace. However, SECA match conditions will apply the following variations: -

- If the player is absent from the field for longer than 8 minutes
 the player shall not be permitted to bowl in that innings after their
 return until he/she has been on the field for at least that length
 of playing time for which he/she was absent. For ease of
 adjudication, absence for no longer than two completed
 overs shall be deemed to comply with the 8 minutes period of
 grace.
- These restrictions shall not apply if the player has suffered an
 external blow (as opposed to an internal injury such as a pulled
 muscle) whilst participating in the match and consequently been
 forced to leave the field. Nor shall it apply if the player has been
 absent for very exceptional and wholly acceptable reasons
 (other than injury or illness).
- A player's unserved Penalty time shall be limited to 90 minutes.
- As our matches generally are played over 2 weekends, unexpired Penalty Time for time off the field shall not extend to the next playing day.
- As our by-laws allow the use of substitute fielders basically for any absent player, Penalty Time shall not apply to a team's subsequent batting innings However note that our By-Law 4.6.3 does not allow a substitute merely to rest a player or to replace an inferior fieldsman.
- To avoid the use of substitute "gun" wicket-keepers, particularly in lower grades, substitute fielders shall not be able to keep wickets, as per the former Law.
 - c. Law 25.8 Strikers right to play the ball
 - d. Laws 27.4 & 28.6 Unfair movement by fielding side

The above 2 law changes in 2022, are NOT adopted by SECA.

e. Law 42 Players' Conduct

The ability to penalise a player or team under this Law shall not apply to club (unofficial) umpires. Clubs still retain the ability to report any occurrence of inappropriate behaviour to SECA under By-Law 2.8.2

f. Law 41.7 Bowling of Dangerous & Unfair Non-Pitching Deliveries

The SECA Executive has reviewed the new 2017 Law of Cricket 41.7 and considers that aspects of it are not appropriate for the varying abilities of bowlers across all our grades.

Accordingly, the following modifications to Law 41.7 will apply forthwith in all SECA senior games:

- i. Any delivery, irrespective of pace, which passes or would have passed, without pitching, above waist height of the striker standing upright at the popping crease, is to be deemed dangerous and unfair, whether or not it is likely to inflict physical injury on the striker. If the bowler bowls such a delivery the umpire shall immediately call and signal No Ball.
- ii. In the case of medium-pace and faster deliveries, the umpire shall warn the bowler and the bowler's captain after the first and second of such unfair deliveries. After a third such delivery by the bowler in the same match, the umpire shall direct the captain to suspend the bowler from bowling forthwith for the remainder of the match.
- iii. In the case of slow-paced deliveries, no additional action shall be taken by the umpire other than to call No Ball, unless the situation arises that such deliveries become frequent and/or dangerous. The umpire may then direct the captain to suspend the bowler from bowling forthwith for the remainder of the match. The umpire should take into account the playing conditions, the ability and experience of the bowler and the degree of danger to the batsmen.
- iv. If an official umpire considers that any bowler has deliberately bowled a non- pitching delivery that is dangerous, he may direct the captain to suspend the bowler from bowling forthwith for the remainder of the match, without warning. An official umpire should report the player in this instance. If no official umpire is in attendance, the aggrieved club shall report the matter to SECA.
- v. When a bowler is suspended from bowling, if applicable, the over shall be completed by another bowler, who shall neither have bowled any part of the previous over, nor be allowed to bowl any part of the next over.

Additionally the umpire shall report the occurrence to the batsmen and, as soon as practicable, to the captain of the batting side.

All Laws of Cricket published by the MCC, except those noted above will apply in all SECA matches.

Restricted One-Day Grade

Overview

SECA acknowledge the difficulty many clubs have in filling their lower grades at various times during the season The Grading and Fixturing Sub-Committee has arranged that the lowest senior grade, will play One-Day games only. With games not drawn on weekends usually affected by outside activities, hopefully this will keep walkovers to a minimum and reduce the number of Two-Day games in other grades being rescheduled as One-Day games.

It is important to note that it is our lowest senior grade, designed for casual cricketers, developing juniors, father/son/daughter combinations and low commitment players.

Note that these rules are not yet part of the formal SECA by-laws as this grade is considered part of a trial.

Why have we implemented this restricted grade with its special fixture?

- Clubs are looking for innovative ways to balance player commitment, age, availability, levels of interest etc. in order to retain active membership
- Many clubs have expressed a desire for more one-day games at the lower levels in order to assist with team selection and player retention
- Previously, for example, with only one week's break for some grades over Cup weekend, any member of that team who did not want a break, could not play in another club team because that other team was likely playing a 2-day game. This grade's fixture will aim to allow members of the lower graded team to be available to help cover shortages in higher teams over such weekends
 - Similarly, at the start of the season and the resumption after the Christmas break

Notable points about the fixture:

- · There are fewer playing days of cricket than any other grade
- The match rules are as per the 55-over competition normal One Day game rules- - (NOT the rules as used in the separate One Day grade)
- · All games are one-day games including finals
- There are special player eligibility rules for this grade, see next page

Depending on the specific clubs and their ground availability, it may be necessary to schedule a Sunday game or two, although SECA will try to avoid this Some clubs may play each other 2 or even 3 times, the draw cannot always be even.

It is not to be used for:

- · Higher standard cricketers unwilling or unable to commit to 2-day games
- A convenient grade to play a 1-day game whilst waiting to get back into their normal higher grade

The Player Interchange rule should be used wherever possible to accommodate higher standard players who are available one week only

Rules for selection:

- The normal regulations apply regarding player eligibility, registration, clearances, etc contained in by-law 3, the same as in all other grades
- The player "demotion rule" (By-Law 4.6.4) shall apply as normal
- In addition, a player who has played in a SECA shield grade game (or the 1st or 2nd top grades of equivalent competitions or higher) in the current season, or last 5 years, is not eligible for selection
- Players with a good recent track record in competitions such as Premier cricket, sub district cricket, Cricket Southern Bayside etc. in any grade, should not really be playing here
- Nb. Players aged 45yo or more on the 1st of September each season, or are Under 16yo as at the same date, are exempt from all restrictions
- A club may apply for permission to play an otherwise unqualified player under extenuating circumstances. Permission must be obtained the day prior to the game's commencement

Guidelines for selection:

Selectors/Captains - Ask yourself:

- · is this player good enough to be in our 1's or 2's?
- · should they really be playing much higher?
- · are they likely to dominate?
- are they a quick enough bowler to potentially cause injury to young players or less able older batsmen?

If yes to any of the above, you should not be picking them. SECA will regularly review participation in the grade and may apply penalties if the spirit or actual selection rules are broken.

The success of this grade depends on clubs recognising that it is each club's lowest grade and picking their teams accordingly, in the best interests of the game.

The SECA Executive reserves the right to move a team into a more appropriate grade during the season should it consider that the spirit of this grade is being compromised. It may also prohibit an inappropriate player from playing in this grade.

The normal conditions of play for One-Day Games (By-Law 4.4.2) (Reduced Overs Grades) shall apply to all games in this restricted grade unless clubs are notified differently.

Any query should be settled with SECA well in advance of the game's commencement

Finally, this "restricted" grade is not necessarily offered every season by SECA. It will depend on the wishes of clubs expressed as per the affiliation process prior to the start of each season.

This grade format is not applicable for season 2023/24.

Knight Sport T20 Tournament

Basic Competition Rules

Match Arrangements

- Games to be played on Tuesdays starting at 5.15pm. Wednesday is the reserve day. However, games may be played on other days eg. Wednesday, Sunday in the preliminary rounds, providing both clubs agree and SECA is notified in advance.
- SECA Umpires to be used in all games. Umpire(s) to receive payment as per the schedule. SECA will pay umpire fees in finals.
- Clubs are to supply their own 4-piece white Kookaburra balls for this competition in the preliminary rounds, available from SECA equipment sponsor Knight Sport. SECA will supply finals balls.
- Clubs should check their local Council re ground availability and also consider liquor licence obligations.

Player Regulations

- Open to all players, aged 15 and above as at 1st October in the current season, registered with the participating SECA club in the current season. But see "Guest Player" below.
- To be eligible to play, each player MUST have played at least one SECA game during the current or previous season OR must NOT have played in any other competition if their last SECA game was in the season/s before. If unsure about a player's eligibility, contact SECA for a decision.
- Guest Player- Each club is entitled to 1 Guest Player per match during
 the tournament who may be from any SECA club (other than those
 competing), other association or an unregistered player, but a permit
 must be granted by SECA prior to that player's participation. A different
 Guest Player can be used in each of the preliminary matches but only
 ONE qualified Guest Player can play in a finals match.
- To be eligible to play in the semi-final or grand final, a player MUST have played at least 1 of the 3 preliminary matches, during the current SECA T20 tournament.
- Each team is to supply a 'Team Manager', who is responsible for liaising
 with the umpires and captains to ensure players are ready and that time
 is not lost in any way.
- SECA actively encourages clubs to have a club-coloured shirt, pants and pads for the T20 competition and to have Names & Numbers printed on the back of each shirt, to help distinguish this competition format from the normal SECA competitions. The only stipulation is that all players wear the same thing, not a mix of whites, some coloured shirts, long pants and/or any colour shorts.

Competition Rules

- 5.15pm start. 75 minutes per innings maximum. 10 minutes break between innings. If play is delayed by more than 30 minutes from the scheduled start time, then the game should be abandoned or rescheduled.
- · Overs to be bowled in blocks of 5 from each end to save time.

- · Under the Laws of Cricket, the following deliveries shall be called No-Ball:
 - Any delivery which, after pitching, passes or would have passed over head height of the striker standing upright at the popping crease.
 - Any delivery, which passes or would have passed, without pitching, above waist height of the striker standing upright at the popping crease, whether or not it is likely to inflict physical injury on the striker.
 - Short- pitched bowling is also restricted to one short-pitched ball per over. Short- pitched is defined as being of or above shoulder height when a batsman is in his normal batting stance. A second or subsequent short-pitched ball shall be called No Ball.
 - Leg-side wides Any delivery which passes outside the line of the leg stump without touching the batsman's bat, equipment or body shall be called a wide. Exception: A ball that passes between the batsman and the leg stump shall not be called a wide.
 - Free Hit! When a No Ball is called for a front foot offence, above waist full toss or short-pitched ball, the batsman will then face a free hit on the next legal delivery, when the only dismissal mode is Run Out. Note
 If the same batsman is on strike for the free hit, then all fielders must remain in the same positions they were fielding when the No Ball was bowled.
- 30 metre fielding restriction rule, from the centre stump at each end. (Clubs will need to create the 30m circle, either a series of flat markers /discs or painting the marks directly on the ground.)
- · Fielding Restrictions (30m rule).
 - First 6 overs, maximum of 2 players outside the 30m circle.
 - Last 14 overs, maximum of 5 fielders outside of the 30m circle.
 - · Maximum of 5 fielders on the Leg Side at all times.
- · Bowlers are restricted to 4 overs each.
- Incoming batsmen must be ready when a wicket falls. Batsmen may be timed out after 1 minute if they are not ready to face up.
- 20 overs need to be bowled within 75 minutes. A 10-run penalty will apply against the bowling side for each full over not bowled within the 75 minutes. The official umpire/s may modify or rescind this penalty should exceptional circumstances exist.
- In the event of a tied game, a Super Over will be played to decide the game. A toss will decide which team bats first. One bowler will be selected by each bowling team. If 2 wickets are lost, this shall end the batting team's over.
- All teams to input their game details into PlayHQ by 8pm on the Thursday after the game, fines payable if late.
- Winning teams to receive 2 points. No points for losing teams. Byes are worth 2 points, same as a win. Washouts will result in 1 point to each team, if a reserve day is not an option.
- SECA may introduce a "Duckworth Lewis" method for resolving a tied game. More information to be provided.

Finals Arrangements

The top 4 teams in each group will compete in the Semi-Finals. If teams are equal on points, then the Net Run Rate method will determine their placings.

Semi-Finals (1 v 4, 2 v 3), then both winners shall advance to the Grand Final. The Semi- Final teams with the highest finish will host the respective final provided their ground is available and suitable. If not, then it will be played at the other team's home ground. SECA will select the Grand Final venues.

Player Points System (PPS)

Each Club fielding a team in Shield Grades must comply with the requirements of this rule for the season as set out hereunder. REFER BY-LAW 3.4

POINTS

The team make-up may comprise any mix of players, provided the total number of points allocated does not exceed the maximum match points as defined in Rule 5 below.

2. POINTS DETERMINATION

- 2.1 Prior to the commencement of a season, each Club that fields a team in a Shield Grade is required to submit a list of players proposed or possibly likely to compete in those teams during the season. This list shall comprise the players' names, the season they commenced with the Club, the Player type in accordance with the provisions of Rule 3 below and other information as required. This list shall be submitted as directed each season by the PPS coordinator on the SECA Executive.
- 2.2 Clubs are responsible for entering the PPS data into PlayHQ and SECA will review all points allocated.
- 2.3 Any additional players must be added to this list during the season. Any such request must be entered by 8pm on the Friday prior to the first match for which the player is required, on the prescribed form.
- 2.4 Clubs failing to have a player listed on the official player points list prior to a match shall be fined \$30 per breach.

3. PLAYER TYPES

3.1 Player types are determined according to the following table, using the highest points allocation attributed to a player over the previous five seasons. Exception: Any player who has qualified for finals in the Junior section of a SECA club in any two previous seasons shall automatically be defined as a Type 1 player for that Club.

Type	Category	Description	Points
1	Base Player	Played 2 junior seasons at this Club or only played at this Club (minimum 2 seasons)	1
2	Other Affiliate	Has not played in any organized cricket match in Australia or overseas in the past 5 seasons. Played in a VMCU / VCCL Competition or other State equivalent. Played VSDCA or other State equivalent 2nd, 3rd or 4th XI.	2

3	SECA VSDCA 1 XI Premier 2 XI Overseas A	Played at another SECA primary club * Played VSDCA or other State equivalent 1st XI. Played Premier or other State equivalent 2nd XI. Played non-representative cricket overseas and is an Australian resident**	3
4	Premier 1 XI Overseas B	Played Premier or other State equivalent 1st XI. Played a Representative match overseas or is not an Australian resident eg, playing in Australia on a seasonal basis only. #	4
5	First Class ##	Played First Class, List A One-Day or T20 in Australia or elsewhere	5

^{*} SECA primary club - defined as a club with its Snr First XI in a SECA grade.

4. CLUB SUBMISSIONS / SECA RULINGS

A club may submit a request for consideration of player type or team points re- evaluation by the SECA Match Sub-Committee under extenuating circumstances. The SECA Match Sub-Committee reserves the right to allocate Player Points as it sees fit to any player not specifically covered by a category as in Rule 3 above or in circumstances outside the spirit of the prescribed system.

TEAM POINTS

5.1 The maximum number of points for any team is 21.

6. LOYALTY PROVISIONS

6.1 All players, other than Type 1, will have their points allocation reduced by one point following the completion of two seasons at their SECA Club. According to type, they will then reduce their points allocation by one point per season until they reach one-point status as per the following table.

^{**} Australian Resident – means a person who is living in Australia and is either: i) an Australian citizen, ii) a permanent visa holder, or iii) a Permanent Protection Visa (PPV) holder.

[#] Representative Match – means any of the following matches: i) County 2nd XI, or ii) Provincial 2nd XI, or their equivalent.

^{##} First Class – defined as any cricket match which has been granted First Class, List A One-Day or Twenty20 status by a national governing body, eg. Big Bash or overseas equivalent.

Type	Season 1	Season 2	Season 3	Season 4	Season 5	Season 6
1	1	1	1	1	1	1
2	2	2	1	1	1	1
3	3	3	2	1	1	1
4	4	4	3	2	1	1
5	5	5	4	3	2	1

Exceptions:

- i) An Overseas B player ("fly-in") who primarily resides outside Australia between SECA seasons will not be eligible for a loyalty deduction for the subsequent season.
- ii) A Type 5 player will not be eligible for a loyalty deduction if he played at Type 5 level during the previous SECA season, the intervening off-season or the current SECA season.
- 6.2 For a player to qualify for a season loyalty points reduction, he must have been eligible to play in senior finals in accordance with SECA By-law 3.6.(4 games). Exception games played on permit do not qualify for a loyalty provision.
- 6.3 Any points status achieved shall remain for life with that Club. Exception: A player who has played less than 5 seasons with a SECA primary club will not retain their loyalty points status upon playing with another SECA primary club. That player will be a Type 3 player if returning to his original club.

PENALTIES

- 7.1 Failure to have a player listed on the official player points list prior to a match club shall be fined \$30 per breach.
- 7.2 Breach of the Maximum Number of Points (21) club shall be fined \$250 and the team shall lose 6 premiership points for each breach.
- 7.3 Should any Club knowingly or negligently make a false or incorrect declaration regarding Player Points allocations or otherwise not comply with these rules, the Club may be penalised in line with the penalties set out below.

Penalties may include (without limitation):

- a) Loss of points -current season
- b) Suspension from finals -current season
- c) Player suspensions
- d) Club fines
- e) Any other penalty determined by the SECA Executive from time to time

By-Law 1 – Standing Orders

This section removed from the printed handbook, for space reasons.

By-Law 2 – Management & Administration

2.1 EXECUTIVE COMMITTEE - DUTIES AND AUTHORITY

- 2.1.1 The Executive shall have full power to take such action as it deems necessary for the welfare of the Association, on all matters, having the right to interpret these by-Laws, inflict fines, or impose penalties on any club, umpire, or player; or deal with any matter not otherwise covered in these by-laws. This interpretation, action, imposition, or penalty shall be final.
- 2.1.2 Inspect and approve all grounds
- 2.1.3 Arrange draw and grade teams
- 2.1.4 Appoint and allocate all umpires
- 2.1.5 Make all arrangements for final and semi-final matches, including appointment of umpires and selection of grounds
- 2.1.6 Deal with all protests, reported players, teams or umpires, effect all registrations, deal with clearances and issue all permits
- 2.1.7 Determine trophies to be awarded
- 2.1.8 Deal with any business delegates deem necessary
- 2.1.9 Appoint any sub-committee it may deem necessary
- 2.1.10 Elect the Secretary and Treasurer
- 2.1.11 To determine the affiliation and registration fees
- 2.1.12 Arrange representative teams and conduct any additional competitions from time to time, to which these By-Laws will apply where appropriate.

The quorum for an Executive committee meeting shall be 50% of committee members. The Secretary can draw \$100 against petty cash but must keep a petty cash book showing all incidental expenditure.

THE REGISTRATION SECRETARY shall keep a record of all registrations and report any irregularities to the Executive. Any Executive officer who does not attend three consecutive meetings without obtaining leave of absence shall forfeit his position.

2.2 RECORDS AT MEETINGS

The Association shall provide an attendance register at all meetings which each club representative must sign. The book shall be removed fifteen (15) minutes after the scheduled commencing time of the meeting. Any club not represented shall be fined (refer penalties).

2.3 AMENDMENTS TO BY-LAWS

Existing By-Laws shall not be altered, amended or repealed in any way unless after

proposals for alteration, amendment or repeal have been submitted and voted on in accordance with the procedures stated herein, they are supported by the required majority of those parties entitled to vote. Proposals may be submitted by the Executive, a Member or an affiliated club. Proposals emanating from clubs shall be typed on club letterhead, signed by both club president and secretary and submitted to the Association Secretary no later than 15th May. Voting on submitted proposals shall be limited to:

- (a) Affiliated clubs on the basis of one vote for each senior team fielded in SECA in the preceding season - for By-Laws other than By-Laws 5 and 6 (Junior Administration and Junior Competition Rules).
- (b) Affiliated clubs on the basis of one vote per club that fielded at least one junior team in SECA in the previous season - for By-Laws other than By-Law 4 (Senior Competition Rules).
- (c) Current SECA Executive, Life Members and the Umpires Association one vote each on all By-Laws.

All voting shall take place either by postal ballot or electronic means. The Association secretary shall give notice of all proposals with accompanying ballot forms to all parties entitled to vote at least fourteen days prior to the Annual General Meeting. Ballot forms are to be returned within seven days after the Annual General Meeting at which time all voting shall be deemed closed. The Association secretary and two other persons shall act as scrutineers and all voting forms shall be retained. Those proposed amendments receiving a two-thirds majority of votes cast shall be carried and implemented accordingly.

2.4 AFFILIATION

Any new club applying to join the SECA will accompany the application with a bond – the amount and time limit to be determined by the Executive. The Association Affiliation Fee shall be determined by the Executive annually.

Application for entry must be accompanied by the fees, as no team will be awarded points in a competition match until these fees are paid.

All affiliated clubs shall submit each season a list of their elected officials, such list to be received by the Secretary no later than 10th of August each year (refer Penalties).

All affiliated clubs shall be bound to uphold the current Cricket Victoria's Member Protection By-Law (as set out on Cricket Victoria's web site), together with all SECA Laws, By-Laws, policies and directives as laid down or endorsed from time to time, and all relevant State and Federal legislation, including Working with Children Act, liquor licensing laws and the

2.5 PAYMENT OF ACCOUNTS

All moneys owing to the Association must be paid within 28 days of the Treasurer issuing a statement to a club.

If clubs continue to be unfinancial in excess of 28 days from the date on which the account was first issued by the Treasurer, no further competition points will be awarded for games concluding after the 28-day period.

A club shall not take part in any finals match unless all accounts outstanding to the Association have been paid by 5 pm on the Tuesday prior to the match's scheduled commencement. Should any team be excluded under this rule, the team next highest on the premiership ladder shall take its place in the fixtures.

2.6 PENALTIES

The Executive shall decide upon any financial penalty that may be imposed. These penalties are imposed for the various administrative offences that may occur during the season, for example, non-attendance at meetings, failure to submit reports, etc..

2.7 TROPHIES

The Association shall provide suitable trophies for competition. Such trophies to be determined by the Executive.

- 2.7.1 For any player to be eligible to receive a grade trophy, he must have played in at least 6 matches in that grade.
- 2.7.2 Where such trophy is an award for bowling average in a specific grade, the player must have bowled at least 80 overs in Shield grades, and 40 overs in all other grades.
- 2.7.3 Where such trophy is an award for batting average in a specific grade, the player must have batted in at least 6 matches and scored at least 350 runs in Shield grades, and 200 runs in all other grades.
- 2.7.4 For competition aggregate trophies, runs made and wickets taken in various grades, shall be added together. For this trophy, no match qualification will be necessary.
- 2.7.5 Perpetual trophies awarded by the Association shall remain the property of the Association; however other trophies will become the property of the persons to

- whom they were awarded.
- 2.7.6 Batting and bowling trophy winners shall be taken from the approved electronic statistics as entered 14 days from the conclusion of home and away matches. All clubs are required to ensure that their team and individual statistics are correct and up to date. In the event that no player qualifies for a particular trophy under the above conditions, the Executive may award the trophy at its discretion.
- 2.7.7 2.7.7.1 Any player suspended by the Association during the season, including the finals series, will not be eligible to win any statistical trophy for that season.
 2.7.7.2 Any trophy based on a subjective assessment may have the player's behaviour taken into account before the selection is made.
- 2.7.8 The Executive shall provide pennants or other mementos as considered appropriate to successful teams in all grades.
- 2.7.9 Club Championship Award (Lloyd Champion Trophy)

The Club Championship Award will be awarded annually to an affiliated club, selected by the Executive. The selection criteria will include team on-field results and conduct, administration standard and other pertinent criteria.

2.8 PROTESTS - REPORTS - DISPUTES - APPEALS

The authority of the Executive is to:

- Consider all reports and protests from any source.
- Conduct hearings within a reasonable time frame from receipt of such reports or protests.
- Delegate its authority through the establishment of an independent tribunal, where it is appropriate. It will be administered by an Executive member or its representative (convenor), who will arrange the hearings and be responsible for the keeping of the records.
- Pursue at its discretion any matters arising out of a hearing.
- Impose penalties or fines where it is considered appropriate.
- Establish a range of prescribed set penalties for various offences committed during games on or off the cricket field.

2.8.1 Procedure for handling of reports made by an independent umpire or an Association Executive Member.

- 2811 When a report is made by an official umpire appointed by the SECA. that umpire shall immediately, or as soon as practicable notify the player of his intention to report. The umpire will also notify the offending player's captain and opposition captain as soon as possible of his intention to report. If it is not possible to inform the player verbally, an appropriate club official is to be notified of the report on the day. Failure to notify the player or club official on the day of the offence will disqualify the report. At the conclusion of the game, the umpire will fill in the official report form in triplicate, sign them and have them duly signed by the reported player and both officiating captains, or in their absence, an appropriate team or club official. First copy to the SECA, second copy to the reported player. and the third copy to be retained by the umpire. If the umpire does not have official paperwork, the umpire will write out the report on a plain sheet of paper, sign it, have it signed by the reported player and both officiating captains, or in their absence, an appropriate team or club official. That paperwork will be submitted to the SECA. The umpire must notify the convenor of the tribunal, the SECA Secretary or Administrator, of the report verbally, in writing or by electronic means, no later than 8pm the day after the game concludes. Failure to do so will cancel the report. The officiating umpire will also pass on to the convenor, Secretary or Administrator all details of the report in writing or electronic means as soon as possible after the conclusion of the game. A member of the Association Executive, or its appointed representative, may also make reports under this By-Law in the same manner as an official umpire
- 2.8.1.2 If a player is reported for an offence for which there is a set penalty, the convenor will contact the reported player's club and ask if he wishes to take the report to the tribunal or to accept the set penalty prescribed. The convenor will then notify the umpire also of the player's decision. Once a player has decided either to take a set penalty or to take the matter to the tribunal, his decision cannot be changed and must proceed accordingly. If the umpire believes that the report for which there is a set penalty is more serious, he may have the option of taking the report to the tribunal for adjudication. Accordingly, the convenor will inform the player through his club of the umpire's intention. If the reported player accepts the Set Penalty, there

will be no consequential action taken against the captain of the team.

2.8.1.3 The tribunal formed to hear all reports will be made up of three people, independent of the SECA Executive, and selected by the convenor of the tribunal. The tribunal itself will consist of a chairman and two others who will conduct the hearing and decide on the appropriate penalties, and their decision will be binding on all parties.

2.8.2 Procedure for handling reports made by club officials or individuals.

- 2.8.2.1 If a report or protest is made by a club or individual, it must be in writing and lodged with the SECA secretary. The written report must be lodged with the secretary of the Association by 8 PM. on the Monday following the incident. If it is not possible to lodge a written report by this time, a verbal report must be made by the Sunday at 8 PM, immediately after the incident, and a written report lodged as soon as possible.
- 2.8.2.2 When a report is lodged with the Association by a club official or an individual, an investigation sub-committee of three members, comprising members of the SECA Executive Committee or its appointees, will hear all aspects of the report. The sub committee will be headed by the appointed chairman and two others, all being independent of the club or persons involved in the hearing. The chairman will ensure that all parties involved will be brought together to have all relevant facts heard and any decisions reached will be binding on all parties but must be ratified by the Executive committee. These decisions can include suspensions, fines or any other penalty which is appropriate.
- 2.8.2.3 If a report of a breach of SECA By-Laws comes to the notice of the Executive at any time, it may take appropriate action in line with the procedure outlined in By-Law 2.8.2.2 above.

2.8.3 Racial and Religious Vilification:

If the SECA Executive or tribunal convenor receives a report regarding racial or religious vilification, such reports may be handled by the tribunal or investigation subcommittee as per By-Laws 2.8.1 or 2.8.2, or may be referred to a mediation process, or forwarded to the Victorian Metropolitan Cricket Union, or a combination of any of those actions, at the discretion of the SECA Executive.

2.8.4 Hearings:

The convenor of the tribunal will contact the club officials of the reported player along with the Umpire's Secretary to organise a suitable time for the hearing. It is preferred that the hearing be held as early as possible after the conclusion of the match.

The reported player will attend along with the player's advocate, the umpire and the umpire's advocate, along with any witnesses who can give accounts as to what occurred.

If a reported player must attend the tribunal due to their third offence or due to the seriousness of the charge, then it is compulsory for the captain of the team to also attend the hearing. The Chairman will read the charge or charges and ask the reported player whether he wishes to plead 'guilty' or 'not guilty' to the charge or charges.

- 2.8.4.1 If the player pleads guilty, then the umpire will give details of the report. The reported player will have the right to clarify any point made by the umpire. If necessary, the tribunal may also refer to any witnesses for any clarification. The reported player may then make a statement if he so wishes. The umpire will have the right to clarify any point made by the reported player. If necessary, the tribunal may also refer to any witnesses for any clarification. The player's advocate will then make a statement as to the character of the player and any mitigating circumstances if he so wishes. All participants will then retire, and the tribunal will decide the appropriate penalty. Their decision will be announced in the presence of the reported player and umpire and their advocates. The decision of the tribunal will be binding on all parties.
- 2.8.4.2 If the player pleads not guilty to the charge, the umpire will then give his version of the incident. The umpire will also have the right to call any witnesses to support his evidence. The reported player or his advocate will also have the right to ask any questions relating to the umpire's evidence, or the evidence of any witnesses. The reported player will then give his version of the incident. The player will also have the right to call any witnesses to support his evidence. The

umpire or his advocate will also have the right to ask any questions relating to the players evidence, or the evidence of any witnesses. At all times, the members of the tribunal have the right to ask questions of any of the participants in the hearing. At the conclusion of the hearing, the player's advocate, if he so wishes, will then make a statement as to the character of the player and any mitigating circumstances. At the conclusion of the hearing, all persons shall retire and the tribunal will come to a decision. The decision will be announced in the presence of the reported player, umpire, and their advocates. The decision of the tribunal will be binding on all parties.

- 2.8.4.3 In lieu of a person's attendance, the tribunal may allow a written statement to be made by a player, umpire or wittness, providing it is shown to be "bona fide". As the statement cannot be readily challenged, the tribunal will place any credence on it that it deems fit. Any witness called to give evidence must remain in the room until the conclusion of the hearing, unless given permission to leave by the tribunal chairman. This will be given only in special circumstances. Whilst a legal practitioner may be permitted to sit on a tribunal, no legal practitioner will be permitted to represent any party in a tribunal hearing. The tribunal may impose any penalty it deems fit. These penalties may include reprimands, suspensions, good behaviour bonds or financial impositions. It also has the discretion to impose "actions" to be carried out by the player, for example, the player may be required to act as an umpire to reduce his penalty.
- 2.8.4.4 Where a club is on report, the president and/or secretary of the club must be in attendance.
- 2.8.4.5 If a person on report is unable to attend the tribunal or hearing at the appointed time, the hearing may proceed if the tribunal or investigative panel believes it is appropriate. If the hearing proceeds, any decision will be binding on all parties.
- 2.8.4.6 All parties involved in a tribunal or hearing may call on witnesses who will give evidence only.
 - 2.8.4.7 The tribunal panel or investigative sub committee may at their discretion admit written evidence from any source.

2.8.5 Appeals:

2.8.5.1

Decisions made at hearings shall be binding within the Association. However, an appeal may be made against a decision made by the independent tribunal or investigating committee, providing a bond of \$250 is lodged with the Association Secretary not more than 48 hours after the relevant hearing. The bond will be refundable only if the player or club is found "not quilty", if the penalty is downgraded in any way. or at the discretion of the appeals panel. Appeals can only be lodged on the basis of new evidence becoming available after the hearing or against the severity of the penalty. The appeal will be heard by three different and independent members of the relevant panel and will be heard as quickly as possible after the first hearing, and the procedures will be the same as the previous hearings. Any penalties imposed by the first hearing will remain in place unless overturned by the appeals hearing. Any penalties, if applicable, will be served prior to the appeal being heard. In an appeals hearing, it may be that penalties can be increased or reduced, depending on the decision of the appeals panel. Victorian Metropolitan Cricket Union (VMCU): An appeal may be made

- 2.8.5.2 Victorian Metropolitan Cricket Union (VMCU): An appeal may be made to the VMCU against an Association decision that has been endorsed by the Union. The appeal must be made in writing (with a copy to the Association) in time to reach the VMCU within one calendar month of the date of the letter advising endorsement. The SECA will consider decisions made by the VMCU but will not be bound by them.
- 2.8.5.3 Administrative Disputes: Administrative matters affecting the SECA or its clubs and other parties, Associations or clubs can only be initiated by the SECA Executive. Refer also "Laws" section 20
- 2.8.5.4 Before an appeal can be made to the VMCU, an appeal must have been heard by the SECA Executive.

2.8.6 Disputes and Mediation: Refer "Laws" Section 20

2.8.7 The processes and findings of a tribunal panel, investigation sub-committee or

appeals panel, shall not be invalidated by any insignificant change to or omission of one or more items of procedure as set out in By-Law 2.8

2.9 SHIELD GRADE REQUIREMENTS FOR ADMISSION

2.9.1 Longmuir and Woolnough Shield grades are the premier grades of the Association and expressions of interest to participate in these grades are required to be lodged with the Secretary by 4:00pm on 30th April annually. This requirement shall apply to all interested clubs irrespective of whether they competed in the preceding or current season in these grades. In considering admission of a club into Longmuir / Woolnough grades, the Executive will take into account the following factors:

- 1. The administration of the club
- 2. Its previous general conduct
- 3. The past playing performance
- 4. Ground conditions - size, fencing, pavilion, pitch and surface Minimum of three senior teams
- 6. Availability of senior ground for use by 2nd XI
- Availability of junior teams

In deciding on the composition of shield grades for an ensuing season, the preferred option of the Executive will be to promote the Woolnough Shield premiers and relegate the bottom placed Longmuir club. However, it is emphasised that this approach is an option only and special circumstances may influence the Executive to adopt an alternative approach.

2.9.2 In Longmuir & Woolnough grades a club shall be required to meet in addition to those set out in other By-Laws herein, the following requirements:

- Appoint a person to act as scorer
- Appointment of a team manager shall be optional

2.10 JUNIOR SUB-COMMITTEE

- In accordance with By-Law 2.1.8 the Executive shall appoint a subcommittee (the Junior Committee) which shall have the following roles, responsibilities, and powers -
 - Arrange grading and fixtures for all junior teams.
 - Deal with all junior match matters including results, disputes, ladders, finals, fines, etc.
 - Manage all junior representative teams and appoint all relevant coaches and managers.
 - Establish and promote girls cricket within Region 15.
 - Promote & encourage policy for junior participation and competitions.
- 2.10.2 The Sub-Committee shall not be limited by number but shall comprise a minimum of 3 SECA Executive members, plus suitable representatives from affiliated clubs including CSB and Sub-District clubs with junior teams in SECA. Additional persons may be added for their expertise. The SECA Executive shall appoint one of the Junior Committee as Chairman. The Sub-Committee may appoint other officers from within as required.
- 2.10.3 The Junior Committee has authority to operate the Junior section on a dayto day basis in regards to the roles outlined in 2.10.1 above. Matters relating to sponsorships, local council matters, finances, by-law amendments and other broader aspects will be the domain of the SECA Executive. The Executive will consider any recommendations and suggestions from the Junior Committee in these regards. Items of discussion at Junior Delegates meetings will be voted on by a show of hands (1 vote per junior club) so as to ascertain a consensus.

SECA HALL OF FAME

- 2.11.1 The Executive shall oversee the establishment and management of the SECA Hall of Fame that seeks to recognise and enshrine players, coaches, umpires, administrators, scorers, media personalities and sponsors who have made a significant contribution to the South East Cricket Association and its forerunner competitions since its formation in 1930.
- 2.11.2 To be nominated as an inductee into the Hall of Fame, the nominee must have demonstrated attributes including longevity, quality of performance, integrity, sportsmanship, good character, administrative dedication and promoted the values of the South East Cricket Association. Nominees may be submitted by clubs, SECA executive, SECA umpire association or individuals. Nominees will also be considered from clubs that no longer exist or have been involved at multiple clubs within SECA. Nominees may be living or deceased.

By-Law 3 – Player Records & Eligibility

3.1 Registration Procedure:

- Nb. PlayHQ refers to a traditional "clearance" as a permanent "Transfer" from one primary club to another. A "Permit" is required where a player is playing for multiple clubs in one season. These by-laws will be updated in due course to reflect the new terminology.
- 3.1.1 All players must be registered yearly.
- 3.1.2 All registrations shall be entered by the clubs onto PlayHQ no later than 8pm on the Tuesday immediately following the commencement of the game in question. Registrations involving clearances require an online clearance application via PlayHQ (See By-Law 3.2)
- 3.1.3 A registration shall be deemed to be effective as per the electronic date stamp of the entry of such registration in the Electronic Participant Management System.
- 3.1.4 Clubs shall have electronic access to their list of registered players. The SECA shall have complete access to all registered players of all clubs. Access shall be available at all meetings of the SECA.
- 3.1.5 If any player or club official deliberately falsifies the registration process, the Executive of the SECA may impose any penalty it deems fit.
- 3.1.6 Registration of a new player does not become operative until the player has been recorded as having participated in a game in the Association.

3.2 Clearances

- 3.2.1 A player who has played for, or has received a clearance to, a club in the Association either during the previous two seasons or the current season cannot play for another club in the Association unless a clearance form has been submitted to and endorsed by the Association prior to the game in which the player first represents his new club. (See also By-Law 5.8.3 regarding permits for junior players).
- 3.2.2 Clearance applications must be lodged via PlayHQ by the club seeking clearance. The former club of the player must deal with the application within 7 days of receiving it. If no action has transpired after 7 days, the Executive will grant the clearance.
- 3.2.3 For a clearance to be effective for a particular match, it must be approved online by the former club by 8pm on the Thursday prior to the scheduled commencement of that match AND subsequently endorsed by the Executive or Registration Secretary prior to the match's commencement.
- 3.2.4 Any player refused a clearance by his club may appeal in

- writing to the Executive enclosing the refused clearance form. The Executive may if it so elects uphold and endorse the clearance form.
- 3.2.5 Where a clearance is not required but the player is listed in PlayHQ in another club, an automatic on-line transfer is required.

3.3 Player Transfer Provisions

The following provisions apply in respect of players transferring to or from the Associations referred to:

3.3.1 Cricket Victoria (CV)

- 3.3.1.1 A player of a club in the CV competition (all Premier grades) shall be eligible to play in this Association free of any permit, clearance or transfer provisions other than those set out in sub-clause (3.3.1.2) herein. However, once having played in a CV competition game in the current season, a player cannot be nominated in a SECA senior team below that club's 2nd XI for the remainder of the season, except with SECA approval. If a player has played in the 1st or 2nd X1 of a CV competition in the current or prior season, they cannot play below the 1st X1 of the SECA club, except with SECA Executive approval.
- 3.3.1.2 A player who has represented his CV Premier club in the first or second grades after the 31st day of December in the current season shall not be eligible to transfer to the senior section of this Association for the remaining period of the season. This provision shall not apply in respect of a player, who desires to transfer back to the SECA club he represented earlier in the current season. However, if after transferring back to the SECA, a player then returns to his CV club, he shall not be eligible to play in the senior section of the SECA for the remainder of the season.
- 3.3.1.3 A player in this Association shall be eligible to transfer to the CV competition free of any permit, clearance or transfer provisions.

3.3.2 Victorian Sub District Cricket Association (VSDCA)

3.3.2.1 A player who represented a club in the VSDCA in the preceding season shall be eligible to play in this Association free of any clearance or transfer provisions. However, if a player has represented his club in the VSDCA during the current season, he must obtain a clearance from his club to be eligible to play in this Association and cannot be nominated in a SECA senior team below that club's 2nd XI for the remainder of the season, except with SECA approval. If a player has played in the 1st X1 of the VSDCA competition in the current or prior season, they cannot play below the 1st X1 of the SECA club, except with SECA Executive approval.

3.3.2.2 A player who has represented his VSDCA club in the first grade after the 31st day of December in the current season shall not be eligible to transfer to the senior section of this Association for the remaining period of the season. This provision shall not apply in respect of a player who, with the agreement of his VSDCA club, desires to transfer back to the SECA club he represented earlier in the current season. However, if after transferring back to this Association, a player returns to his VSDCA club, he shall not be eligible to play in the senior section of this Association for the remainder of the season.

3.3.3 Associations affiliated with Vic Met. Cricket Union (VMCU)

- 3.3.3.1 A player who has represented a club in another Association affiliated with the VMCU in the preceding season shall be eligible to play in this Association free of any transfer or clearance provisions. However, where the player has represented his club during the current season, he must obtain a clearance from his club to be eligible to play in this Association. If the clearance is not granted, he must obtain permission to transfer upon appeal to his club's Association or if still not granted, upon appeal to the Executive of the VMCU. The provisions of this sub-section (i) apply also in the same manner to a SECA player transferring to a club in another Association affiliated with the VMCU.
- 3.3.3.2 Where the fixtures of this Association are scheduled on different playing days to those of another Association, a registered player of a club in SECA shall be eligible to play with a different club in the other Association, free of any transfer or clearance provisions.
- 3.3.3.3 A player in a club with teams in this Association and any other Association is permitted to interchange freely throughout the season between teams of the club in the SECA and the other Association. Whilst playing in this Association, he shall be governed by SECA rules including those relating to registration.

3.3.4 Other Associations in Victoria

A player representing a club in an Association within Victoria other than that referred to in 3.3.1, 3.3.2 and 3.3.3 shall be eligible to play in this Association free of any transfer or clearance provisions.

3.3.5 Interstate Associations

A player representing a club in an Association outside the state of Victoria, shall be eligible to play in this Association free of any transfer or clearance provisions.

3.3.6 Overseas Associations

A player representing a club in an Association outside the Commonwealth of Australia shall be eligible to play in this Association free of any transfer or clearance provisions.

3.4. Player Points System

The Executive shall have the power to apply a Player Points System that encourages player loyalty and junior development and seeks to attain a reasonable level of team equalisation.

3.5 Unqualified Players

3.5.1 Definition

An unqualified player is a player who is ineligible to play in this Association or in a particular game or games of the Association in accordance with the various By-Laws herein.

3.5.2 Reporting

Reports of an alleged unqualified player may be lodged by a club or Association official in accordance with the procedures set down in By-Law 2 in the section 2.8 headed "Protests—Reports—Appeals—Disputes".

3.5.3 Penalties

A club playing an unqualified player in a game in this Association may be penalised as follows:

- the loss of match points in a home and away game
- If no match points are gained, the deduction from the club's aggregate grade points to date, of match points equal to those gained by the opposing team
- If occurring in a finals series game, the loss of the game to the opposing team and disqualification from any further participation in the finals series of that grade
- The deduction of runs made, and wickets taken by the team, for the purpose of percentage calculation
- The removal of an unqualified player from a game that is still in progress

In addition to the above penalties, the Executive may reallocate any match points gained to the opposing team and/or impose a monetary penalty where it considers that a club deliberately or neglectfully played an unqualified player in a game.

3.6 Player Eligibility to Participate in Senior Finals

- 3.6.1 To be eligible to represent a club in a finals series, a player firstly must have played (ie. been nominated as per By-Law 4.6) in at least 4 SECA senior home-and-away games for that club.
 - 3.6.1.1 Special note re the consecutive teams rule 3.6.4. A player must have been nominated in a minimum of 2 games this season, for the team in which they wish to play in a finals match (or a lower graded team)
- 3.6.2 However for a player to be eligible for a specific grade and has played in a higher grade during the home-and-away season (including non-SECA games for that club), they must have played at least 5 games in that grade or lower grade/s.
- 3.6.3 If a player of the junior competition has played less than 4 senior games during the season, junior games can be counted for senior game qualification (including one day grade) for finals series games. (Also refer to By-Law 4.7.6)
- 3.6.4 If however, a club has consecutive teams in the Association in the final series, players can be selected in any team provided the consecutive teams are playing on the same day or days and that the players have participated in the required number of games to qualify for finals in accordance with rules 3.6.1 (including the special note) and 3.6.2 above; This means:
 - 3.6.4.1 If a club has its firsts, seconds, thirds and fourths in the finals, players could be selected in any grade team provided they had played at least 4 games during the season.
 - 3.6.4.2 If a club has its firsts, thirds and fourths in the finals:
 - all players would be eligible for the firsts providing they have played at least 4 games during the season.
 - all players who had played at least 4 games in the thirds and fourths would be eligible to play in those teams. If however a player had played in the seconds (the team not in the finals) that player would need to have played 5 games in the lower elevens (the thirds and/or fourths) to qualify for those teams.
 - 3.6.4.3 If the club's four consecutive teams won first semi-finals in the first round, they would remain consecutive for the second round with continuing eligibility of players to be selected in any team. However, if the seconds lost their first semi-final or alternatively won their second semi-final and moved to the grand final, then of the three

teams to play in the preliminary finals, only the thirds and the fourths would remain consecutive. Consequently, whilst eligible players could be selected in either of these teams, players from the firsts and seconds could not be selected in the lower graded teams unless eligible under Rules 3.6.1 and 3.6.2.

Where a club has teams in another competition, eg. CSB, the above "consecutive teams" condition will also apply to their SECA two-day grade teams, provided that the player has played in at least two home-and-away SECA games during the season and has qualified for finals participation under the other competition's two-day grades rules. Games in other competition's one-day only competitions will not qualify players for any SECA finals.

This means that in order for a player who has played CSB games during the current season, to play in a SECA two-day grade final under the consecutive teams provision, they must have:

- · Qualified for two-day finals in CSB, under CSB rules
- Played in at least 2 SECA games during the season in any two-day grade

Nb. The SECA standard one-day grade is regarded as a separate competition and no player shall play a finals game in this grade unless they have qualified for this grade under SECA rules.

3.6.5 Where a player otherwise ineligible to play in a lower grade team becomes eligible under the consecutive teams rule (3.6.4), the continuing eligibility of the player to participate in subsequent finals series games in the lower grade shall be dependent upon:

- 3.6.5.1 continuity of selection in the lower grade or
- 3.6.5.2 the consecutive teams rule continuing to apply This means: Once selected in the lower grade, the player can continue with that team irrespective of whether the team for which the player is otherwise eligible continues in the finals or not. However, having played in a final in a lower grade than otherwise eligible, the player cannot be demoted a further grade unless the "consecutive" provisions of 3.6.4 apply to that subsequent final. Where the continuation in selection in the lower grade is broken, say a seconds player dropped to the thirds in the first round of the finals is promoted back to the seconds in the second round, the player would only be eligible to play in the third round with the thirds if the seconds were also playing in that round.

- 3.6.6 To be eligible to represent a team in a finals series game a substitute fielder shall be subject to the same eligibility provisions as set down herein for a player. If a club does not have a player so qualified, the club may appeal to the Executive of the SECA to enable a substitute fielder to take the field.
- 3.6.7 If a club wishes to nominate a player in a finals team for which he is not otherwise eligible (e.g. in order to field a team of eleven), it may apply to the Executive for a special permit.
- 3.6.8 Such applications must be lodged in writing or electronically to the Association Secretary by 5 pm Wednesday prior to the game's scheduled commencement.
- 3.6.9 The one day grade is regarded as a separate competition. Games played in this grade will not qualify players to play in the two-day game finals and similarly games played in two-day grade will not qualify players for the one-day grade finals.

This means: Players to be able to play in either one-day grade finals or two-day grade finals should qualify separately for each finals series. They cannot use games played in the one-day grade as qualification for two-day grade finals and vice-versa.

4.1 Match Points

Note, refer to 4.12 for special points allocation where a two-day game has been rescheduled to a one-day game at the request of one of the participating clubs.

4.1.1 Outright win if winning team leads on 1st innings	10 pts
Outright win where first innings a tie	8 pts
Outright win if winning team behind on first innings	6 pts
Outright tie (each)	5 pts
First innings win	6 pts
First innings lead (points retained if beaten outright)	4 pts
Drawn game	3 pts
Tie on first innings (each)	3 pts
Outright loss after tie on first innings	2 pts

- 4.1.2 In the event of a team receiving a walkover, forfeit or bye, the match points allocation shall be awarded at the discretion of the Executive. This will normally be 6 points. However, if the entire day is subsequently cancelled (eg. due to heat or wet), a walkover/forfeit will be 3 points and a bye will remain at 6 points.
- 4.1.3 In the event of an equality in the aggregate number of runs, the result shall be:
 - 4.1.3.1 An outright tie if both teams have completed two innings.
 - 4.1.3.2 Based on the first innings scores where the team batting last does not complete its second innings.

4.2 General Conditions

- 4.2.1 Regardless of bad weather conditions that may prevail, teams must be represented at the scheduled starting time of play. Refer Penalties Rule 2.6.
- 4.2.2 No alteration or variation to the fixtures shall be permitted, unless approved by the Executive. The Executive may in advance cancel a day's play acting on official weather forecasts and conditions or for any other reason for the well-being of players and/or the proper playing of the game. Clubs will be notified as expediently as possible via the Association website and email.
- 4.2.3 The team which bats first and leads by 80 or more, will be permitted to enforce a follow-on.
- 4.2.4 Any ball bowled wide of the wicket, shall be called a "no ball".
- 4.2.5 A straight line between adjacent boundary markers will be deemed the boundary line.
- 4.2.6 Should any person (not of the fielding team) or animal impede the progress of the ball, the umpire shall, at his discretion, award the appropriate runs to be scored.
- 4.2.7 Each home team shall provide afternoon tea and drinks for all players and umpires, including finals games.

- 4.2.8 For the purposes of these By-Laws, grades may be grouped as follows:
 - Shield Grades
 - · Standard Overs Grades
 - · Reduced Overs Grades
 - Standard One-Day Grades (n/a this season)

The Association shall advise prior to the season which grades are included in each classification.

4.2.9 Part-Over Incapacity or Suspension

A part of an over bowled under the provisions of Law of Cricket 22.8 shall count as one full over in the limit of each bowler concerned in that over, (ie. both bowlers count their part over as one full over in all games that have a limit on overs bowled by a player.)

4.3 Hours of Play, Tea Intervals and Breaks In Play

Hours Of Play

4.3.1 Two-Day Games (including finals series games)

Refer to the table at By-Law 4.01.

4.3.2 One-Day Games

Refer to the table at By-Law 4.01.

4.3.3 All Games:

Notwithstanding the stated finishing times set out in the preceding clauses, the prescribed number of overs referred to in Rule 4.4.1 - 4.4.4 shall be bowled on each day of play. Where no further result is considered achievable, captains, by mutual agreement may finish the game at or any time after the tea break on the final day, irrespective of the number of overs bowled.

In finals games where no further result is considered achievable, captains, by mutual agreement, may finish a game at any time. In finals games only, if at the scheduled end of play on Day 1 a result is near at hand, an extra 30 minutes play may be played in order to achieve that result, but only with the agreement of both captains.

Tea Intervals

4.3.4 Two-day Games (including finals series games)

Refer to the table at By-Law 4.01

If an innings ends or there is a stoppage of play caused by bad weather or light within 45 minutes of the above times, the interval shall be taken immediately. If at the above interval times, only one wicket of the innings remains, or 10 or less runs are required by the batting team to win the game, play shall continue until the innings or the game is concluded, or for a period not exceeding 30 minutes, whichever comes first.

An over shall always be started if time has not been reached and shall be completed. This condition applies to the last over before the interval and also to the conclusion of play on any day of a game. For the purpose of this rule, if a bowler is injured and cannot complete the final over, the captain of the fielding team can nominate any player to complete the over, providing that such player did not bowl the preceding over.

Drinks Breaks

4.3.5 Breaks in play not exceeding 5 minutes shall be taken for drinks. These breaks shall be taken at the halfway mark of each session of play, except that if a wicket falls within 5 minutes of the agreed time, the break shall be taken immediately. In 2-day games the drinks break in the second session shall be taken after 50% of the overs remaining after the tea interval have been bowled, unless otherwise agreed upon by the two captains and umpires. In hot weather (30 degrees and above), drinks breaks should be taken at shorter intervals eq 40 minutes.

If an innings ends or there is a stoppage in play caused by bad weather or light, within 30 minutes of the agreed time for a drinks break, there shall be no break for drinks in that session. At any time during the game, team captains may forego any drinks breaks and shall inform the umpires accordingly.

A maximum number of three players and/or officials from each club may enter the playing arena for the purpose of dispensing drinks.

The dispensing of drinks must be carried out by the pouring of drinks from a container into individual cups or glasses.

4.4 Conditions of Play

4.4.1 TWO-DAY GAMES (Refer Rule 4.3 for times of play).

4.4.1.1 Overs

On each day a total of 72 overs shall be bowled in Shield Grades, 65 overs in Standard Overs Grades, and 55 overs in Reduced Overs Grades. These overs shall be additional to any balls bowled to complete an unfinished over from the previous day of play.

3 overs shall be deducted for each innings break of 10 minutes duration except when an innings break is taken in conjunction with the tea interval.

If play is delayed or interrupted by bad weather, light or ground conditions, the overs stated herein must still be bowled unless the total time lost on that particular day of the game exceeds 60 minutes. In the event that more than 60 minutes of play is lost on the first day, the team batting first has the option of batting on the second day until it has received the normal scheduled number of overs, at which point its innings must close and the remainder of the game shall be played under Ordinary Conditions (By-Law 4.4.6). In the event that more than 60 minutes of play is lost on the second day, the remainder of the game shall be played under Ordinary Conditions (By-Law 4.4.6).

4.4.1.2 Compulsory Closure

If the team batting first is not dismissed or has not declared its innings closed by the end of play on the first day and the game has not reverted to ordinary conditions, it shall compulsorily close its innings and the opposing team, unless earlier dismissed, shall receive the same number of overs on the second day. If the team batting first is dismissed or declares its innings closed prior to the end of play on the first day, the opposing team, unless earlier dismissed, shall be entitled to receive the remaining overs of the game.

4.4.1.3 Play Abandoned on the First Day

A two-day game will be abandoned and rescheduled to a one-day game in the following circumstances:

If 90 minutes or more of play has been lost between the scheduled commencement and 4.00 pm on the first day.

In all circumstances, any toss or choice of innings made prior to the abandonment shall be disregarded for the rescheduled oneday game.

4.4.1.4 First Innings Win

In any game where a first innings decision is not reached, the team scoring the most runs irrespective of wickets lost shall win on the first innings unless the game has reverted to ordinary conditions. (Refer Rule 4.4.6)

4.4.1.5 Special Conditions Reduced Overs Grades (Two-Day Games)

A batsman must retire compulsorily immediately after attaining 100 runs in an innings in home and away and finals games. The player may resume their innings once all other team members have batted. If two or more batsmen so retire, they shall resume in the order in which they retired. (Note to By- Law: unless retiring hurt, a batsman retiring at less than 100 shall be recorded as Retired Out and cannot resume their innings.)

A bowler shall not bowl more than 12 overs in the first 55 overs of an innings in home and away and finals games.

<u>Exception</u>: This bowling restriction does not apply after an opposition batsman resumes their innings having previously retired compulsorily, or subsequently attains 100 runs.

4.4.2 ONE-DAY GAMES (Refer Rule 4.3 for times of play)

- 4.4.2.1 The game shall consist of Shield Grades 80 overs; Standard Overs Grades 76 overs; Reduced Overs Grades 70 overs, unless in accordance with By-Laws 4.4.2.2 or 4.4.2.3. But also see By-Law 4.4.2.10 for special conditions for Shield Grades One-Day games.
- 4.4.2.2 If play is unable to be commenced at the prescribed time set out in the Hours of Play herein due to bad weather, light or ground conditions, 2 overs shall be deducted from the total overs for each 71/2 minutes or part thereof lost. Example, if play was delayed for 60 minutes, a 76 overs game would revert to a 60 overs game. If play has not commenced by 1 1/2 hours from the scheduled commencing time, the game shall be abandoned and deemed to be drawn.
- 4.4.2.3 If a game once commenced is subsequently interrupted by bad weather or other conditions the following shall apply:
 - If the time lost is between 30 and 60 minutes and occurs before 10 overs have been completed, the number of overs to be bowled shall be reduced as per by-Law 4.4.2.2.
 - If the time lost is less than 30 minutes before 10 overs have been bowled, or is up to 60 minutes subsequently, the full overs shall be played.
 - If the time lost is more than 60 minutes overall, the game shall revert to ordinary conditions or, by mutual agreement between the captains, the game may be abandoned.

- 4.4.2.4 Each team shall be entitled to bat for a maximum of 50% of the total number of overs of the game (i.e. 76, 70 or a lesser number in accordance with By-law 4.4.2.2.), unless dismissed or its innings declared closed earlier. By mutual agreement between the captains, the game may be concluded at any time after a first innings decision has been achieved. Neither team shall have a second innings.
- 4.4.2.5 In any game where a first innings decision is not reached, the team scoring the most runs irrespective of wickets lost shall win on the first innings unless the game has reverted to ordinary conditions. (Refer By Law 4.4.6)
- 4.4.2.6 In any game other than the one that reverts to ordinary conditions, scorers shall advise umpires and captains when there are 5 overs and then 1 over to be bowled prior to the compulsory termination point of each first innings.
- 4.4.2.7 A 20-minute tea interval shall be taken at the completion of the innings of the team batting first whether it is a compulsory termination or not and irrespective of the number of overs bowled. No deduction of overs shall apply.
- 4.4.2.8 A bowler shall be permitted to bowl a maximum of eight (8) overs in all grades. Exception: In Reduced Overs and One- Day Grades, this bowling restriction does not apply after an opposition batsman resumes their innings having previously retired compulsorily, or subsequently attains 50 runs.
- 4.4.2.9 Special Conditions Reduced Overs Grades.

A batsman must retire compulsorily immediately after attaining 50 runs in an innings in home and away and finals games (See By-law 4.4.1.5 for resumption procedure.)

4.4.2.10 Special Conditions Shield Grade One-Day Games

General Rules

- 1.1 The game shall consist of 80 overs unless the number of overs of the game is reduced in accordance with the following:
- If play is unable to be commenced at the prescribed time due to bad weather, light or ground conditions, 2 overs shall be deducted from the total of 80 overs for each 7.5 minutes or part thereof lost. Example, if play was delayed for 60 minutes, the game would revert to a 64 overs game.

- 1.2 If play has not commenced by 1.5 hours after the scheduled commencing time, the game shall be abandoned and deemed to be drawn.
- 1.3 If a game once commenced is subsequently interrupted by bad weather or other conditions the following shall apply:
- If the time lost is between 30 and 60 minutes and occurs before 10 overs have been completed, the number of overs to be bowled shall be reduced as per Clause 1.1.
- If the time lost is less than 30 minutes before 10 overs have been bowled, or is up to 60 minutes subsequently, the full overs shall be played.
- If the time lost is more than 60 minutes overall, the game shall revert to Ordinary Conditions (see By-Law 4.4.6) or, by mutual agreement between the captains, the game may be abandoned.
- 1.4 Each team shall be entitled to bat for a maximum of 50% of the total number of overs of the game, unless dismissed or its innings declared closed earlier. By mutual agreement between the captains, the game may be concluded at any time after a first innings decision has been achieved. Neither team shall have a second innings.
- 1.5 In any game where a first innings decision is not reached, the team scoring the most runs irrespective of wickets lost shall win on the first innings unless the game has reverted to Ordinary Conditions. (Refer By Law 4.4.6)
- 1.6 In any game other than one that reverts to Ordinary Conditions, scorers shall advise umpires and captains when there are 5 overs and then 1 over to be bowled prior to the compulsory termination point of each first innings.
- 1.7 A 20-minute tea interval shall be taken at the completion of the innings of the team batting first whether it is a compulsory termination or not and irrespective of the number of overs bowled. No deduction of overs shall apply.
- 1.8 A bowler shall be permitted to bowl a maximum of eight (8) overs.
- 1.9 The normal rules shall apply to the bowling of a no-ball, ie. they will NOT attract a free hit.
- 1.10 Unless otherwise covered in these special rules, all other Laws of Cricket and SECA By-laws shall apply

Fielding Restrictions

2.1 Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 30 metres. The semi-circles shall be linked by two parallel straight lines drawn on the field. The fielding restriction areas should be marked by continuous painted white lines or 'dots' at 5-metre intervals, each 'dot' to be

covered by a white plastic or rubber (but not metal) disc measuring approx 18 cm in diameter.

2.2 During the first 10 overs of an innings, only 2 fieldsmen shall be permitted outside this fielding restriction area at the instant of delivery.

During the next 30 overs, only 5 fieldsmen shall be permitted outside the fielding restriction area at the instant of delivery. In the event of an infringement of any of the above fielding restrictions, either umpire shall call and signal 'No Ball'.

2.3 All other normal field placement rules apply, eg. maximum of 2 behind square leg.

3. The Bowling of Fast Short Pitched Balls

The Rules of Cricket shall apply, as per the following extract:

- (i) The bowling of fast short pitched balls is dangerous and unfair if the umpire at the bowler's end considers that by their repetition and taking into account their length, height and direction they are likely to inflict physical injury on the striker, irrespective of the protective equipment he may be wearing. The relative skill of the striker shall be taken into consideration.
- (ii) Any delivery which, after pitching, passes or would have passed over head height of the striker standing upright at the crease, although not threatening physical injury, shall be included with bowling under (i) both when the umpire is considering whether the bowling of fast short pitched balls has become dangerous and unfair and after he has so decided. The umpire shall call and signal No ball for each such delivery.

Leg-side Wides

- 4.1 Umpires are instructed to apply very strict and consistent interpretation in regard to this Law in order to prevent negative bowling wide of the wicket.
- 4.2 Any delivery which in the opinion of the umpire passes outside the line of the leg stump without touching the batman's bat, equipment or body shall be called a wide. Exception: A ball that passes between the batsman and the leg stump shall not be called a wide.

5. Team Clothing and Equipment

Coloured team attire (including pants and pads) shall be worn and SECA-approved white cricket balls used in grades as determined by the Executive each season. Footwear and socks may be in a colour matching the team uniform or otherwise predominately white.

4.4.3 SEMI FINAL, PRELIMINARY AND GRAND FINAL GAMES (Refer Rule 4.3 for hours of play).

4.4.3.1 Shield Grades and Standard Overs Grades

After the completion of the home and away games, the final series shall be played as follows: The third and fourth teams shall play in the first semi final. The first and second teams shall play in the second semi final. The winner of the first semi final and the loser of the second semi final shall play in the preliminary final. If exceptional circumstances prevent the playing of a three- game finals series, the Executive may arrange a two-game finals series as per the Reduced Overs grades described below.

Reduced Overs Grades and One-Day Grades

After the completion of the home and away games, the final series shall be played as follows:-

The second and third teams shall play in the first semi-final. The first and the fourth teams shall play in the second semi-final. The winners of the semi-finals shall play in the grand final for the premiership of the grade.

4.4.3.2 In the event of teams being equal on points at the end of the first round, position shall be decided on averages as follows:

The batting average of a team shall be obtained by dividing the total runs scored by the total wickets lost. The batting average AGAINST such team by dividing the total runs scored against it by the wickets taken. The former shall be divided by the latter and the team having the higher quotient shall have the better percentage. For this purpose the actual number of wickets fallen shall be counted, even though the innings is declared closed. If teams are still equal on averages, then the result of the game between the two teams in the home and away series shall determine the higher placed team.

- 4.4.3.3 In all finals games, including the grand final, if there is a tie or draw, the participating team that finished higher on the ladder at the conclusion of the home-and-away games will be awarded the game.
- 4.4.3.4 All final games (excepting the grand final, where reserve days apply) will be played under normal playing conditions as set down in By-Laws 4.2, 4.3 and 4.4.
- 4.4.3.5 In all finals games, each team must appoint a nonplaying team manager who shall be responsible during each day's play for umpire liaison, tea and drinks provision and club supporter supervision.
- 4.4.3.6 Any finals game where there is no result, for whatever reason, shall be treated as a draw.

4.4.4 RULES RELATING TO GRAND FINALS ONLY

Reserve days

4.4.4.1 The Executive may make allowance for two reserve days for the grand final only. These reserve days will only allow a grand final to be completed under the normal playing conditions. This means if any time is lost due to bad weather, play can continue on the reserve days until the match is completed.

4.4.4.2 If either day or both days on the first (scheduled) weekend of play has bad weather (heat or rain) so as to prevent any play at all, then play will continue on the following weekend under normal conditions.

4.4.4.3 The normal playing conditions apply for any time lost, up to one hour.

4.4.4.4If more than one hour is lost on day 1, then ordinary conditions (By- Law 4.4.6) will not apply, and the game will stop at 6 PM, and the innings will be completed on the second playing day. There will be no loss of overs at the changeover of innings. The second team batting, will continue on the second day until 6 PM. If however the umpires believe that there is the possibility of a result, a game may proceed until 7 PM to overcome the necessity of returning on the next weekend. If the game cannot be completed, the number of overs will be completed on the reserve days, commencing at the normal starting time.

4.4.4.5 If more than one hour is lost on day 2, then ordinary conditions (By-Law 4.4.6) will not apply, and the game will continue until 6 PM. If the umpires believe that there may be a result, the game may continue on until 7 PM. If the game cannot be finished then the number of overs will be completed on the reserve days, commencing at the normal starting time.

4.4.4.6 If less than the scheduled number of overs (ie 72, 65, 55) are bowled on the first three days (scheduled Saturday, scheduled Sunday and reserve Saturday) then the team batting first has the option of batting on until it has received the normal scheduled number of overs, at which point its innings must close and the remainder of the game shall be played under Ordinary Conditions (By-Law 4.4.6).

4.4.4.7 The tea breaks will be taken at the standard time, 3.15 PM or 3.30 PM. Drinks breaks will be as normal.

4.4.4.8 By Law 4.4.1.3 will not apply for the grand finals unless play is not possible on the first three days, in which case a one day game will be played on the reserve Sunday.

4.4.5 ONE-DAY GRADE GAMES

One-Day Grade games shall be played under the same rules as Reduced Overs Grades one-day games – see By-Law 4.4.2. All other pertinent Senior Competition Rules also apply.

The following exceptions apply:

- In all games, each captain shall nominate his team's players in writing to the opposing captain before the toss.
- The Executive may make allowance for a reserve day for a Grand Final, to enable the game to be completed should bad weather or conditions prevent the game's normal completion on the scheduled day.

4.4.6 ORDINARY CONDITIONS

When loss of time due to a delayed commencement or interruption of play (caused by inclement weather or ground conditions) results in a game reverting to Ordinary Conditions, this shall mean that:

- there shall be no requirement for equal division of batting time or overs.
- on any day where more than 60 minutes of play is lost, that day's play shall cease at the prescribed finishing time, irrespective of the number of overs bowled.
- unless a clear-cut result is obtained (that being a first-innings decision, an outright win, or an outright tie), the match result shall be deemed a draw, except for the circumstances outlined in the following Special Provision.

Special Provision

Where a first innings decision is not otherwise reached in a game that has reverted to Ordinary Conditions, the team scoring the most runs irrespective of wickets lost shall win in the following circumstances:

- (i) the bad weather, light or ground conditions causing the game to revert to Ordinary Conditions occurs on the first day of the game only; or in the case of a grand final on the first three days only.
- (ii) the team batting first receives at least 45 overs in Shield Grades and Standard Overs grades, or 35 overs in Reduced Overs grades, in its first innings and the team batting second receives at least the same number of overs.

For the purpose of this special provision, a partly bowled over shall be regarded as completed if the batting team is dismissed during that over. This special provision shall not apply to one-day games that revert to Ordinary Conditions. For the purposes of this rule, the delayed commencement provision shall not apply to one-day games, which shall be played as outlined in By-Law 4.4.2

4.4.7 LATE START

4.4.7.1 Any club responsible for deliberately delaying the commencement of play at the scheduled time may be called before the Executive and a monetary penalty imposed depending on the circumstances and extent of delay.

4.4.7.2 Where play does not commence at the scheduled time other than due to bad weather, light or ground conditions, the prescribed number of overs shall still be bowled.

4.4.7.3 If the number of players necessary to constitute a team under By Law 4.6 are present play shall start at the scheduled time. If a not-out batsman from the previous day of play is not present, that player's innings shall be deemed ended.

4.4.8 FORFEITS, WALKOVERS AND TEAM WITHDRAWALS

4.4.8.1 Forfeit

A forfeit shall be deemed to apply when a team having commenced a game fails to complete the game in accordance with the By-Laws otherwise set out herein. A fine shall automatically apply to any team forfeiting a game to the opposing team (refer Penalties).

4.4.8.2 Walkover

A walkover shall apply when a team is unable to attend a game and consequently gives a walkover to the opposing team, prior to the scheduled starting time of the game. A walkover shall also apply if a team fails to be ready to commence a game within 30 minutes of the scheduled starting time of the game.

A team giving a walkover will automatically be fined \$100 for a scheduled two-day game or \$50 for a scheduled one -day game. An additional fine will apply if the opposition team and the SECA Secretary (or representative) are not notified by noon on the day prior to the scheduled commencement day of the game.

Where a club gives walkovers in two consecutive rounds in a grade, it shall be required to show cause to the Executive why its team in that grade should not be withdrawn.

Where a club gives a walkover, it shall be the game in which its lowest graded team is drawn to play.

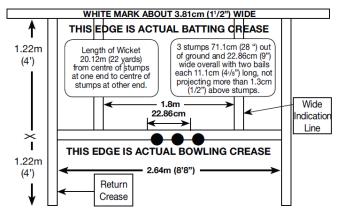

When all other games in a particular grade are abandoned due to bad weather or other reasons on the first scheduled day of a two-day round, any walk-over given is deemed to be null and void and the club shall endeavour to field a team or must notify of a walk-over for the re-scheduled one-day game.

4.4.8.3 Team Withdrawals

If a club withdraws a team after the season has commenced, it shall be the lowest graded team of the club.

4.5 Material

- 4.5.1 Only pitches approved by the Executive can be used for competition games.
- 4.5.2 Each club shall maintain a uniform pitch throughout the season but should a change be unavoidable then the Executive must be informed 48 hours before such change.
- 4.5.3 The home team at each game shall ensure that the following material is available fifteen (15) minutes before scheduled starting time on each day.
 - 4.5.3.1 Stumps and approved bails.
 - 4.5.3.2 If the ground is not fenced, no less than 20 boundary flags, which are at least 300mm high. These are to be placed around the boundary every 20 metres or less. Where grounds adjoin, clubs must arrange for different coloured flags to be used on each ground.
 - 4.5.3.3 Where flagged boundaries are used the home side shall provide a measuring string of 60 metres length to define the extent of the playing area. For smaller grounds the minimum length of this measure shall be 50 metres but measures shall be used to the fullest extent wherever possible.
 - 4.5.3.4 A container filled with water.
 - 4.5.3.5 An ample supply of sawdust.
 - 4.5.3.6 Chalk for batsmen's use marking block.
 - 4.5.3.7 A broom for sweeping and/or clearing the pitch and surrounds of dirt and water.

4.5.3.8 Where goal posts are located within a boundary fence, marker cones are to be placed a minimum of 1 metre inside the line of the goal posts to delineate the modified boundary line.

4.5.4 In the event of inclement weather prior to or during a game, the home team shall be responsible to take the necessary action (under the direction of the umpire if appointed) to make the pitch and ground playable as soon as weather conditions improve.

4.5.5 At the commencement of a game in any grade, each team must have available a new ball for its exclusive use during the game. In the first innings of the opposition, the bowling team may use a replacement new ball at any time after the completion of the 72nd over.

In the second innings of the opposition, the bowling team may at its option use a new ball at the commencement of the innings.

However, whether it elects to use a new ball or not, the ball used to commence the innings cannot be replaced with a new ball until the completion of the 72nd over.

All balls used must be of an approved style as advised by the Association and are not to be replaced during an innings due to their condition except if split open or out of shape.

4.5.6 A score board must be provided and operated at all games in all grades. The home team shall supply the scoreboard.

4.5.7 Where a synthetic pitch is used, the batting and bowling creases are to be clearly marked in accordance with the laws of cricket (refer penalties and By Law 4.5.8).

4.5.8 SYNTHETIC PITCHES

Specifications:

- 7600 denier polypropylene
- 10mm pile height
- +/- 24 stitches per 10cm
- Total backed weight = 2075 gm per square metre
- Backing, woven polypropylene and rubber Latex (black)
- Guaranteed 7 years against U.V. degradation
- Synthetic to be laid from centre of pitch to each end, including wings
- Grass to be laid to edge of pitch (Longmuir Shield grade to a width of at least 2 metres. Other grades - to a width of at least a half metre.

Measurements and markings as follows:

4.5.9 A club shall not directly or indirectly cause the playing conditions of the oval or pitch to be substantially changed between the commencement and end of a game. Minor repairs for safety reasons or to allow the game's continuation are permitted.

4.6 Nomination of Teams

4.6.1 In all Shield Grades and One-Day Grade games, and all finals games in all other grades, each captain shall nominate his players in writing to the opposing captain, before the toss. In all home and away games in Standard Overs and Reduced Overs Grades, the players of each team must be nominated in the opposition's scorebook or on exchanged team lists by completion of the tea interval on the first day. A player may be changed after the nomination only with the consent of the opposing captain and that deleted player may not be nominated in any other senior SECA team for that particular round.

4.6.2 Any player nominated in a game in breach of this rule shall be regarded as an unqualified player.

No player's name shall be added to the official match results in PlayHQ after the deadline for full results entry (currently Monday 8pm following the round's completion). This also applies to teams receiving a walk-over, forfeit or bye. A team giving a walk-over cannot nominate any team members for that round.

- 4.6.3 Where a nominated player becomes unavailable at the start of a game or any subsequent time, a substitute fielder may be used provided.
 - 4.6.3.1 the substitute fielder is a currently registered player with the club.
 - 4.6.3.2 the umpire (if appointed) and opposing captain are notified prior to the use of the substitute fielder.
 - 4.6.3.3 in the opinion of the umpire/s, substitution is not merely for the purpose of resting a player or the replacement of an inferior fieldsman.

If a substitute fielder is used by a team and any of the above provisions are not complied with, the substitute fielder shall be regarded as an unqualified player.

Any player participating in the game before the team has been officially nominated (as per By-Law 4.6.1) is deemed to be a nominated player unless they have been declared as a substitute fielder as per this By-Law. This By-Law shall modify Laws of Cricket 2.1 (a) & (b). In all other respects, Laws of Cricket 2 shall apply.

4.6.4 Having played or been nominated in a particular team, a player may not be demoted more than two team levels for the next home and away round in which they are nominated in that season, except for the penultimate and last rounds, when a player may only be demoted one team level. There shall be no restriction on players moving up to higher level teams. The One- day grade is classed as a separate competition. (For example in rounds 1 to 7 - a 2nd XI player could for their next match be selected in the 1st XI, 2nd XI, 3rd XI, 4th XI or the One-Day XI, but not in the 5th XI). This sub-section also applies to clubs with higher graded teams in other competitions.

If a player has missed 4 or more consecutive matches for any reason, the club can apply to the SECA secretary for permission to demote the player by more than the stipulated team levels. The full circumstances behind the request must be explained, and the SECA ruling shall be final. Such applications must be received by the Monday prior to the proposed return match. In the last two scheduled home and away games of the season, a club cannot nominate a new player to that club (ie. a player who has never previously been nominated in a club team) in a Shield grade team.

4.6.5 No player shall be named in more than one senior team on any given weekend. This will also apply to players who play with other Associations as well as in the SECA. They will not be permitted to play with or be nominated for, for example, a team in the CSB and a SECA team (including One- Day grade) on any given weekend. Exception – a player may play with a SECA team on a Saturday and with a non-SECA team in a Sunday-only competition, provided that the player eligibility clauses of both Associations apply (see By-Law 3).

4.6.6 Other than in accordance with By-Law 4.6.7 Player Interchange, a team shall consist of no more than eleven and not less than seven players.

4.6.7 PLAYER INTERCHANGE

Each team in a two-day home and away match (in all grades, but not in finals matches) shall be able to "interchange" players, one of whom can play only Day 1 and the other only Day 2. There is a limit of one "interchange" player in Shield and Standard Overs grades and two "interchanges" in Reduced Overs grades, that each team may have per match. The interchange players shall be eligible to play subject to the following conditions:

- a) Each interchange player must be eligible for selection in that Grade (see By-Law 4.6) and cannot be nominated for any other team in SECA or any other competition on their 'non playing' weekend. (This includes a Sunday game in a normally Saturday competition.)
- b) The team Captain, at least 5 minutes prior to the toss, shall present the written advice form/s to the opposition Captain and the official Umpire (if present) who shall sign the form/s acknowledging receipt. Acknowledgement of receipt by the opposition should not be refused without good reason and does not exonerate the nominating club from any by-law breach. The form/s shall then be held in the opposition scorebook, or any official appointed umpire, for the duration of the game.
- c) An Interchange form cannot be submitted or rescinded after the toss has been made, under any circumstances. The Day1 and Day 2 players must also be clearly indicated on the official team lists (to be completed and exchanged prior to the completion of the tea break on Day 1). They must also be clearly indicated in the "Match Notes" in the PlayHQ "Enter Match Results" section each game.
- d) Players cannot play on their non-playing day, other than as a substitute fieldsman.
- e) Both players may bat in any innings of a match if it takes place over two days and the Day 1 player is not out at the end of play (recorded as Retired Not Out). The Day 2 player shall resume that innings at the resumption of play, but in Reduced Overs grades a combined total of runs of the two players as per By-Law 4.4.1.5 (i.e. retirement at a total of 100) shall apply to the Day 2 batsman. However, if the Day 1 player has been dismissed, the Day 2 player cannot bat in that innings. The Day 2 player may bat in a second innings.
- f) Both players may bowl in the same innings if it takes place over two days, but in Reduced Overs grades a combined total of overs bowled by the two players shall apply, as per By-Law 4.4.1.5 (ie a total of 12 overs in the first 55 overs).

The official SECA interchange form must be used and is available from the secretary and/or the SECA website.

4.7 Junior Players in Senior Games

4.7.1 A junior player for the purposes of these By-Laws is a person who has not attained the age of 16 on or before 31st August prior to the season in question. A junior player must have attained the age of 12 years on or before 31st August prior to the season in question in order to be nominated in a senior grade team, other than as a substitute fieldsman. Players who have not attained 14 years of age are not permitted to field within the restricted zone (11 metres of a batsman) shown in the Junior Section By Law 6.3.5.1. 4.7.2 The number of junior players nominated in a senior team shall not exceed five (5). However, if necessary to field a full team, a club's lowest graded team may comprise up to 7 junior players. 4.7.3 Clubs must obtain parental permission for junior players to play in senior or in higher age junior teams.

4.7.4 All junior players must wear an approved protective helmet whilst batting in senior games.

4.7.5 A junior player, if he is a medium pace or faster bowler, may only bowl a total of 15 overs in an innings. Additionally in two-day games he may only bowl a maximum of six overs in a spell. The bowler must be rested for the number of overs double the length of the spell bowled. For example: A bowler who bowls a five over spell must not bowl again until ten overs have elapsed (ie. five from each end). Drinks, tea or innings breaks, change of ends or other lapses of play of less than 30 minutes do not count as a break in a spell.

Junior bowlers (refer By-law 4.7.1) must be clearly identified by the letter J in the scorebook or on the team sheets prior to the start of the opposition's first innings, and any official umpire advised accordingly.

4.7.6 A junior player, if they have not played a senior game during the current season, may play in senior finals including one day grade games, providing approval is given by the SECA Executive. Once a junior player plays one game in a senior grade, he must play 4 games at a lower senior grade/s to qualify for that grade in finals.

4.7.7 For all junior (12's to 16's inclusive) players playing in senior competition, home and away or finals, written permission from the parents or guardians must be obtained at the start of the season to allow those players to continue playing if the temperature exceeds 37 degrees. The responsibility will be that of the Clubs, and whilst the permission forms do not have to be submitted to the SECA, they must be shown on request at any time. Failure to comply may result in disciplinary action, which could result in loss of points or other action that the Executive deems necessary.

In a game where a junior player is involved and permission has not been obtained, and the temperature reaches 37 degrees after the start of play, the player, if he is a batter must retire at that time, and return at the fall of a wicket, provided the temperature has fallen below 37 degrees. If he is on the fielding team, he can be substituted during the game, if the temperature reaches 37 degrees.

At all times, the welfare of the junior player is to be paramount and common sense prevail in their participation.

4.8 Match Records and Reports

- 4.8.1 A scorebook will be provided by the Executive for each team to use during the season. Scores may also be recorded electronically using an approved scoring program, but at least one scorebook must be manually maintained for each game.
- 4.8.2 Scorebooks must be signed by opposing captains at the end of each day's play to verify the correctness of scores, names of players and the numbers of overs bowled.

Umpires Report Forms must be signed by captains at the completion of a game where a player or club has been reported for an alleged offence requiring a tribunal hearing.

- 4.8.3 Home club secretaries must forward the following completed forms to the Association as directed by the Executive.
 - 4.8.3.1 Match reports are to be submitted electronically onto the PlavHQ System.
 - 4.8.3.2 Umpire's performance appraisals to be completed as directed by the SECA Executive. (Where official umpires are appointed).
- 4.8.4 Any team receiving a walkover, or claiming a forfeit shall be responsible for submission of match report forms.

Match reports for walkovers shall include details of the time and date the walkover was advised, and the name of the person advising.

Nominated players of the team receiving the walkover are to be included on the match report.

Match reports for claimed forfeits shall be completed by both teams and include full details of the reason why a forfeit is claimed. Nominated players of both teams are to be included on the match report.

Where a team has a bye a match report is to be submitted listing the nominated players and claiming the points applicable to the relevant grade. Players nominated involving a walkover, forfeit or bye are not to include any player nominated in any other senior team of that club for that round of matches.

4.8.5 Contrived Results:

The Executive shall have the power to investigate a game or the actions of the captains of the clubs or any players involved in a match if it suspects reasonably that the competing clubs with or without the assistance or collusion of any other person or club have colluded to contrive the result of the match. If the Executive decides to carry out an investigation it will conduct such enquiries as it sees fit and invite submissions about the match or conduct of either captain or any player and will give any person the

opportunity to be heard.

If the Executive finds that the clubs, captains or players have colluded to contrive the outcome of a match the Executive may in its absolute discretion do one or more of the following:

- 4.8.5.1 fine a club, captain or player;
- 4.8.5.2 suspend a captain or player from playing in any match or matches;
- 4.8.5.3 disallow any points earned by a club in respect of the match:
- 4.8.5.4 amend any points earned by a club in a match or;
- 4.8.5.5 take such action as is deemed appropriate by the Executive.

4.9 Scoring

- 4.9.1 In a game where each team has supplied a scorer and the state of the game is in the balance; if, at the commencement of the final over of the game, a certain number of runs or wickets are required to achieve a result, the decision made by the scorers at the commencement of the final over will stand, even if subsequent checking by officials reveals errors.
- 4.9.2 In a game where there are two scorers from the same team or club, and the state of the game is in the balance, at the commencement of the final over, the captain of the fielding team must be made aware of the state of play, number of runs required or wickets needed. If there is any disagreement between the two teams about the result, both captains must check the scorebooks thoroughly in an attempt to work out a satisfactory conclusion to the game. If this is not possible, the result of the game and allocation of the points will be referred to the SECA investigative sub committee.
- 4.9.3 At the conclusion of an innings when less than 10 wickets have fallen, and further balls remain to be bowled but no further batsman is available to come in, the batting team is to be recorded in the official results as having lost 10 wickets. Exception: when a batsman has retired hurt during that innings and cannot resume batting.

4.10 Replays

4.10.1 In the event of a replay being ordered by the Executive, no player who represented another team in the same round of matches from which the replay emanates shall be permitted to play.

4.11 Bowling Extra Overs in Breach of By-Laws

4.11.1 If a bowler bowls more overs in a game than are allowed under these By-laws, or a junior bowler is in breach of By-law 4.7.5, the following shall apply:

If the initial breach is discovered before the next over (from the other end) has commenced, then the offending over is to be cancelled and a new over is to be bowled correctly in its place. Any runs scored or wickets taken in the incorrect over are to be disregarded.

If the next over has commenced then the incorrect over/s shall stand and play shall continue. The bowling team shall incur a penalty of 5 runs per incorrect over that stands, which shall be added to the batting team's score.

- 4.11.2 If a batsman scores more runs than allowed when required to compulsorily retire under these By-Laws, the following shall apply: As soon as the breach is discovered the offending batsman, unless previously dismissed, shall cease batting and will be deemed Retired Out and shall not be entitled to resume batting in that innings. All runs made by the batsman subsequent to the stroke that attained the retirement limit shall be deducted from his score.
- 4.11.3 Where a breach of these by-laws occurs and is not dealt with in accordance with 4.11.1 and .2 prior to the completion of the game, the result shall stand as played unless a) one captain has lodged a claim during play against the opposition's actions or b) one team has knowingly perpetrated a breach. Loss of points and/or other penalties may be determined against offending teams by the Executive irrespective of the result as played.
- 4.11.4 Scorers have a responsibility to advise the fielding captain immediately after a bowler has reached his overs limit, and the batsman when he has reached his retirement limit.

4.12 Rescheduled and Abandoned Davs

- 4.12.1 The Executive may abandon a day's play in advance due to impending adverse weather conditions or other exceptional circumstances. Notice to clubs will be carried out as expeditiously as possible, via the Association website and other media.
- 4.12.2 A club may, under exceptional circumstances, request that a two-day game of its lowest graded team scheduled to play a two-day game, be rescheduled as a one-day game. (refer however to 4.12.4).

The opposition club and the SECA secretary (or representative) must be advised of the reschedule prior to noon on the day prior to the scheduled commencement day of the game.

In these circumstances, the following shall apply: -

- The opposition club must comply with the request to reschedule the game.
- The opposition team will be awarded 6 points if it wins the game; 2 points if it loses the game.
- The requesting team will be awarded 4 points if it wins the game; no points if it loses.
- In the event of a tie or drawn game, the opposition team will be awarded 4 points; the requesting team 2 points.
- In the event of no play on the rescheduled day, due to weather or other adverse conditions, points will be shared equally.
- 4.12.3 For the purposes of By-Law 4.6 Nomination of Teams, a two-day game rescheduled as a one-day game is deemed to be played on both days. Similarly, a game scheduled or rescheduled on a Sunday/s or other days (eg. to facilitate ground availability) is deemed to be played on the Saturday/s.
- 4.12.4 This by-law does NOT apply to any Shield grade two-day game, they are not eligible to be converted to a one-day game, unless approved in advance by the SECA secretary.

By-Law 5 – Junior Admin & Player Records

- **5.1** The section shall comprise of junior teams and known as the South East Cricket Association Junior Section.
- **5.2** The management of this Section shall be under the control of the Executive Committee.
- **5.3** The rules in the senior section shall also apply to the junior section wherever applicable unless otherwise more specifically stated hereunder. *Nb. A separate juniors document addresses rules in more detail and is issued to all clubs each season.*

5.4 MEETINGS

- 5.4.1 Whenever possible this section's meetings will be combined with those of the senior section on dates and at times determined by the Executive.
 - 5.4.2 Each club shall be represented by at least one delegate at each meeting.
 - 5.4.3 75% of the club delegates entitled to attend shall constitute a quorum.

5.6 MANAGEMENT OF TEAMS

Each team must be in the charge of a manager, who will be responsible for the conduct and dress of that team and shall nominate the team prior to completion of the first day's play.

(Refer Re-Law 7 PLAYER CODE OF CONDUCT)

5.7 POINTS

Points will be awarded in the same manner as the senior section.

5.8 Registrations, Clearances & Permits

5.8.1

- 5.8.1.1 For the under-age sections all players must be under the nominated age on the 31st day of August. e.g. player born 31st August over-age, player born 1st September eliqible.
- 5.8.1.2 In the interests of safety, players must have attained the age of eight (8) years of age to participate in any competition game. We would also advise that those younger age players only play at a level in which they can participate safely.
- 5.8.1.3A two-year age dispensation shall apply to girls playing in junior grades.(e.g. a final year Under 16 girl is classified as a final-year Under 14 player in a boys' team for eligibility purposes.)
- 5.8.2 In the event of a dispute regarding the age of any player, then an extract of birth entry must be produced by the player's club.
- 5.8.3 Any player registered with a club as a junior is bound to that club in respect of both junior and senior sections of the Association and requires a clearance from his club if he desires to play

permanently with another club. However in some circumstances, including where his club has no senior teams or has no relevant under age team in a particular season, a player may apply to the Association for a permit to play in the current season with a senior or junior club other than his original club. In these circumstances, a permit form from his original club is required and must be submitted to the Registration Secretary in accordance with the senior section rules for clearances.

If granted by the Association, the permit shall be valid for the current season only.

5.8.4 In exceptional cases of a player with physical, mental or emotional disabilities, or with very low skill levels, such a player may be granted a one-season permit to play below their actual age group. Clubs must apply for such permits to the Junior Chairman. The permit application must include the player's circumstances plus recent performance statistics. A permit may be revoked at any time if performance statistics indicate that the permit is no longer appropriate.

5.9 Umpires

Team managers or their nominees shall act and have the authority of official umpires for all home and away games. The requirements for

Club Umpires as set out in By-Law 8.10 shall also apply. For finals games, the Association shall appoint the umpires.

5.10 Eligibility For Trophies

Where trophies are provided, the senior section rules shall apply, subject to the following special eligibility conditions:

5.10.1 In Under-16 grades a batsman must score a minimum of 150 runs and a bowler must bowl a minimum of 35 overs.

5.10.2 In Under-14 grades, a batsman must score a minimum of 150 runs and a bowler must bowl a minimum of 30 overs.

5.10.3 In Under-12 grades, a batsman must score a minimum of 120 runs and a bowler must bowl a minimum of 25 overs.

5.11 Scoring

In a game where each team has supplied a scorer and the state of the game is in the balance, if, at the commencement of the final over of a game, a certain number of runs or wickets are required to achieve a result, the decision made by the scorers at the commencement of that final over will stand, even if subsequent checking by officials reveals errors.

5.12 Eligibility To Participate In Junior Finals

5.12.1 To be eligible to represent a club in a junior finals series, a player firstly must have played in at least 5 junior home-and-away games for that club junior team. Friday night and Saturday games are considered to be separate competitions. Games played in one do not count for the other in regard to finals eligibility.

Playing on only one day of a two-day game will count as a "game played" for finals qualification.

- 5.12.2 However for a player to be eligible for a specific grade and has played in a higher grade in the same age group or in any grade in an older age group during the season, they must have played at least 5 games in that specific grade or lower grade/s.
- 5.12.3 The "consecutive teams" provision shall apply to teams in the same age group see By-Laws 3.6.4 and 3.6.5.
- 5.12.4 A player may play in an older age group team in the finals provided that they comply with By-Laws 5.12.1 and 5.12.2.
- 5.12.5 If a club wishes to nominate a player in a finals team for which he/she is not otherwise eligible (eg. in order to field a team of eleven), it may apply to the Executive for a special permit.
 Such applications must be lodged in writing or electronically to the Junior Chairman by 5 pm Wednesday prior to the game's scheduled commencement.

By-Law 6 – Junior Competition Rules

Special note - October 2023

The junior competition rules have been rather fluid over the last few years with the introduction of new junior game formats, participation rules etc. The following pages reflect what has been happening in practice for several years.

Should there be a conflict between the new section 6.01 inserted for the 23/24 season onwards, and the official by-laws 5 and 6, then section 6.01 will override the by-laws.

The formal junior by-laws will be updated in due course.

Grading + Fixtures -P2

Guidelines for Grading > Fixturing

- > Teams will initially be placed in the grade the clubs wishes.
- Our strong preference is for 10 team grades
- We strongly recommend MAX of 12 players per team *for standard competition games
- We may have to deviate from this (10 team grade) in the lower grades if we have awkward number of teams nominated/ fixtured/ zoned.
- *NEW* Clubs with 3+ teams in age group MUST contain 1 x A grade side _.
 - Written approval must be received confirmed if this is not 'as nominated' on team reg form
 - Greater leniency is given for this at U12s age group, due to age/skill variance
- A grades will be determined by SECA Juniors Committee, considering all factors
- B + C Grades will generally be done on location/regional split

*12C is ideally to be for players 'first year' of hard ball cricket > NOT final year of U12, unless permit granted.

All representative level players (or age permit)MUST play in the highest graded team of the club/age, unless approved (in writing) by SECA juniors.

Grading + Fixtures - Teams

Guidelines for grading-Team nomination

- PLEASE ATTEMPT TO GRADE YOUR TEAM IN THE CORRECT GRADE AND PLACE PLAYERS IN THEIR APPROPRIATE (ability level) TEAM
 - We have seen clubs put teams in low grades and then dominate those grades
 - Some teams will need to be 'shifted' into (higher or lower) grade to balance fixtures, not originally requested, this is unavoidable to balance grades/ fixturing needs.

*U12C- Is aimed to be for 'first year' players -NOT final year U12s

- Joint teams/ Surplus 'player pool' are encouraged to ensure teams have appropriate numbers and the players are in the correct grade + participate
 - Seasons past, we had several clubs who had 13+ players in a team, so players rotating in/out of the game is not desired, some of these players would have hardly played.
 - > Think of what is best for the players + their cricket ability + overall enjoyment
 - ▶ If you have +/- a few, please speak up early, so we can aim to align with others

We strongly recommend MAX of 12 (MIN +1) players per team !!!

Grading + Fixtures - Matches

Guidelines for selection - Multiple games

- Players are to play only 1 (regular) junior game per week
- Players may fill in 'as needed' in other teams (on same weekend) maximum of 4 'other' games total, NOT on a permanent basis! and in appropriate grade (e.g. REP level players discouraged)
- No more than 4 'fill in' games for standard matches NO EXCEPTIONS
 - You can only play finals for 1 team- NO EXCEPTIONS
- Finals permits For team that has LESS THAN 11 players ONLY qualified, but needs to be confirmed by SECA Jnrs, by Wed prior to match.

Finals Qualification 23/24 season will be 5 games played for single team

*Part game (e.g., 1 of the 2 days) counts as 'game played' for qualification

Child Safety - INFO

- -Each club MUST HAVE a Child Safety Officer (CSO) appointed.
 - *They are there to assist kids/families & your club with any child safety matters.
 - -Important points ALL Clubs need to be aware of -
- Parental Permission must be sought for photographs &/or their display of any juniors.
 - Parental Permission must be sought for ANY transport (of juniors), that are Non-parental/ guardian, both within junior or senior fixtures.
 - Working With Children Certificate must be gained for all those who assist/engage in 3+ games with Juniors (<u>available online</u>) e.g. committee/ coaches/ TMs/Captains
 - Club CSO details must be registered with SECA (via club reg forms)
 Various options available for clubs at M/C registration phase (for parents), via manual club entry

*** NO CSO Compliance = NO PLAY ***

These are ALL Non-Negotiables, WE ALL must ensure the safety of OUR junior members!

Please aim to have base 'match result' in M/C within 24hr of gartheul scores entry by Mon 8pm

- Games must continue (postmatch result) unless BOTH teams agree. *Use this time to promates participation.
- Any delivery that reaches the batsman on the full (at belt height or abating case ase) shall be called "No-Ball", regardless of the speed the based of the speed the based on to hits the stumps
- U12+U14 Any ball that bounces over shoulder (batting stance), shall be called a Lord is above head
 *If the batsman hits it & dismissed, it is still to be called a Boll
- Any delivery that bounces 'more than once' (or rolls) before batting crease, shall besailed 'No
- A team that has less than 11 players on the first day of games shall be permitted to include players in it
 the second day, providing that such players were registered with the team prior to the commencement.
- Where more than 50% of games in any particular grade are abandoned (poor weather or 'other'), all gar
 grade will be deemædiraw' regardless of any results achieved.
- A 2 day game can be-seheduled to a 1 day gam<u>BOTH AGREE & is confirmed by SECA juni</u> does the Wednesday prior to the game starts <u>MUST BE</u>in writing & approved by BOTH Clubs.
 - * Team/ Individual scores recorded up to the abandonment remain valid & to be entered as normal.

Transfers / Permits

- Guidelines for Transfers
 - If a player has played for another SECA club(in SECA juniors) in the last 2 seasons, a transfer is required via Play HQ & needs to be approved/ actioned by ALL parties, hopefully in a timely fashion (within 7 days)

Note- We strongly discourage 'movement of players' (between clubs) for non -essential reasons.

- Guidelines for Permits
 - > For multiple association players or Senior/ Junior split, a permit is required
 - For a joint team Permit required / permit player to 'host' club
 - Age Permit slide #25

*One club will need to manage data entry for a joint team, this cannot be shared.

RULES

- Under 16s and 14s
 - LBW There is no warning in these age groups.
- Under 12s
 - LBW- There is a warning in this age. Player to receive a warning by informing the batsman and other umpire a warning given. If a 2nd "out" decision is given, it is out.
 - ROOKIES- NO IRWS
- When giving LBWs please be aware ANY Doubt = NOT OUT !!
- To be given out, all of the following must apply:
 - 1. The ball must be pitched outside off stump or in line of the stumps
 - 2. The batsman is hit in line with the stumps
 - 3. The ball is going to hit the stumps 100% of the time

MCC Laws (New) Adopted

- Batters DO NOT cross at the fall of a 'caught' wicket
- *NEW batter must face the next ball, unless the wicket occurred on last ball of an over.
- RUN OUT non striker- U12 (only) Warning MUST BE GIVEN before batter can be OUT.

Permit (Age) -INFO

-Guidelines for permits- Application Process

The possibility exists for 'overage' players to be granted an 'Age Permit' to play below their actual age. *Any Special Permit approved, lasts for one season only.

In every Special permit application, the Junior submmittee review various factors in the application.

*When applying please list all information from last seas@ames/Runs/Wickets & which #criteria applies

E.g. Ricky Ponting (DOB –July 2008) G7 R-29 W-3 >Criteria 2+4, request to play in 'X' team this season

Special Permit applications are determined on a "needs basis" using criteria below, with the application preferably fitting several (but not necessarily all) of the following criteria:

Criteria Options/ Guidelines

- 1- Club lacks a team in a higheage group (or grade), so the player would be lost to the club
- 2- Rejecting the permit would deprive the player of a game as they are not playing senior cricket or elsewhere
- 3- The club has "awkward numbers" and rejecting the permit would prevent the club fielding a team
- 4- The player is only slightly overage (within a 3mth period)
- 5-The player has poor skill levels / never played cricket before / physical or emotionally immaturity / documented physical or intellectual disabilities that render them vulnerable if forced to move up
- 6- The player is clearly not of "hight apability" as evidenced from previous season's statistics >Pls provide these

Players granted a permit are expected to play in the highest graded team, unless approved prior

***This needs to be emailed to SECA Juniors & confirmed/approved prior to any matches ***

Weather INFO

Our main priority is for the kids to play cricket when possible !

*However, various factors can threaten play.

- If SECA cancel play (the full round of juniors), the SECA Website + Facebook
 will be updated. An email will also be sent to all junior coordinators ASAP
 "We aim to notify by 1pm Fri or 8am Sat/ Sun (latest), for a FULL cancellation of day.
- If nothing is placed on website, social media or email (by 1pm Fri / 8am Sat), play is not called off and play can go ahead, report to games/ grounds
- We do not force ANY child to play cricket on hot days, if a parent or child is uncomfortable to do so, it is best to advise your club or teams manager.
- On hot days, extra drink breaks are encouraged to be taken e.g. every 10 overs / instead of 20 overs.

6.1 Hours of Play

6.1.1 TWO-DAY GAMES: On Saturdays play shall commence each day at 8.30am. On Fridays play shall commence at 4.30pm or as close to that time as is practicable. There will be a break of not more than ten minutes after 20 overs have been bowled, providing there has not been a break earlier in the day.

6.1.2 ONE-DAY GAMES: On Saturdays play shall commence at 8.30am. On Fridays play shall commence at 4.30pm or as close to that time as is practicable.

6.1.3 ALL GAMES: The full allotment of overs referred to in Bylaws 6.2.1 and 6.2.2 shall be bowled each day of play unless the game has reverted to Ordinary Conditions (see By-law 6.2.4) when play shall not continue after 11.30am on Saturdays or 7.30pm on Fridays.

6.2 Conditions of Play

6.2.1 TWO DAY GAMES (Refer Rule 6.1.1 for hours of play)

- 6.2.1.1 Each day's play in a two-day game shall comprise a total of 40 overs but subject to a deduction of 3 overs for each innings break. Each innings break shall be of 10 minutes duration.
- 6.2.1.2 If the team batting first is not dismissed by the end of play on the first day and the game has not reverted to ordinary conditions, it shall compulsorily close its innings and the opposing team, unless earlier dismissed, shall receive the same number of overs on the second day. If the team batting first is dismissed prior to the end of play on the first day, the opposing team, unless earlier dismissed, shall be entitled to receive the remaining overs of the game.
- 6.2.1.3 The first innings of a team shall not be voluntarily closed until 40 overs have been bowled unless the game has reverted to ordinary conditions. If a game reverts to ordinary conditions, a team may declare its innings closed after 25 overs to assist in achieving a first innings result. In such a game, 3 overs shall be deducted for a change of innings.
- 6.2.1.4 In any game where play is interrupted or commencement delayed by inclement weather or ground conditions for a cumulative total of more than 30 minutes on the first day, the team batting first has the option of:
 - declaring its innings closed at any time after 25 overs have been received (see 6.2.1.3) or
 - batting on and receiving the normal scheduled number of overs, at which point its innings must close.

Under these circumstances, the remainder of the game shall revert to ordinary conditions (By-Law 6.2.4). However, if major interruptions in play result in less than 20 overs being bowled on the first day, the match shall be rescheduled to a one-day game on the next scheduled day of play. In the event that the first day is uninterrupted but a cumulative total of more than 30 minutes of play is lost on the second day, the remainder of the game shall revert to ordinary conditions (By-Law 6.2.4).

- 6.2.1.5 If no play is possible on the first day due to bad weather, light or ground conditions, the game shall revert to a one-day game. Any toss or choice for innings made prior to the washout shall be disregarded for the rescheduled one-day game.
- 6.2.1.6 In any game where the first innings decision is not reached the team scoring most runs irrespective of wickets lost shall win on the first innings unless the game has reverted to ordinary conditions. Refer Rule 6.2.4.
- 6.2.1.7 On any day on which play is delayed or interrupted by bad weather, light or ground conditions, play shall not be abandoned prior to one hour, 15 minutes from the scheduled start time unless by mutual agreement of both teams.
- 6.2.1.8 There will be no additional points for outright wins; all wins are for 6 points only, decided on the first innings

6.2.2 ONE DAY GAMES (Refer Rule 6.1.2 for hours of play)

- 6.2.2.1 The game shall consist of 40 overs unless it reverts to Ordinary Conditions as per By-Law 6.2.4, or the number of overs is reduced in accordance with By-Law 6.2.2.5. Neither team shall have a second innings.
- 6.2.2.2 The team batting first if not earlier dismissed shall compulsorily terminate its innings after receiving 20 overs.

The team batting second if not earlier dismissed shall then be entitled to receive 20 overs

- 6.2.2.3 If by two hours, 30 minutes from the scheduled start time or any other time thereafter, a first inning decision has been reached the game may conclude by mutual agreement.
- 6.2.2.4 In any game where a first innings decision is not reached, the team scoring the most runs irrespective of wickets lost shall win on the first innings unless the game has reverted to ordinary conditions. (Refer Rule 6.2.4).
- 6.2.2.5 If play commences after the scheduled start time due to bad weather or light or ground conditions but no later than one hour, 15 minutes from the scheduled start time, then for each 71/2 minutes or part thereof of time lost, 2 overs shall be deducted from the total 40 overs. The team batting first if not earlier dismissed shall compulsorily terminate its innings after receiving 50% of the revised total number of overs. The team batting second if not earlier dismissed shall be entitled to receive the same number of overs.
- 6.2.2.6 If a game is interrupted by bad weather or light for more than a total of 30 minutes after one hour, 15 minutes from the scheduled start time, it shall revert to ordinary conditions (refer By-Law 6.2.4).
- 6.2.2.7 If play is prevented by bad weather or light or ground conditions from commencing by one hour, 15 minutes from the scheduled start time, the game shall be abandoned and deemed to be drawn.
- 6.2.2.8 Scorers shall notify umpires and captains when there are 3 overs and then 1 over to be bowled in the innings of each team where such innings consists of or is entitled to consist of 20 overs or where a revised number of overs applies in accordance with Rule 6.2.2.5.
- 6.2.2.9 There shall be a ten minute break at the conclusion of the innings of the team batting first.

6.2.3 SEMI FINAL AND GRAND FINAL GAMES

(Refer Rule 6.1.3 for hours of play).

6.2.3.1 After the completion of the home and away games, the final series shall be played as follows:

The team that finishes first on the ladder shall play the team that finishes fourth.

The second team shall play the third team.

The winner of each semi final will play off in the grand final.

6.2.3.2 In the event of teams being equal on points at the end of the first round, position shall be decided on averages as follows:

The batting average of a team shall be obtained by dividing the total runs scored by the total wickets lost. The batting

average against such team by dividing the total runs scored against it by the wickets taken. The former shall be divided by the latter and the team having the higher quotient shall have the better percentage. For this purpose, the actual number of wickets fallen shall be counted, even though the innings is declared closed.

6.2.3.3 In the event of a tie or draw, then the game shall be awarded to the team that finished higher on the ladder at the conclusion of the home-and-away games. If the game is a grand final then the team shall be declared the premier side.

6.2.3.4 All final games (excepting the grand final, where reserve days apply) will be played under normal playing conditions as set down in By-Laws 6.2.1 and 6.2.2.

6.2.3.5 The Executive may make allowance for reserve days for grand finals. The implementation of these reserve days shall follow the principles laid down in Senior By-Law 4.4.4.

6.2.4 Ordinary Conditions

When loss of time due to a delayed commencement or interruption of play (caused by inclement weather or ground conditions) results in a game reverting to Ordinary Conditions, this shall mean that:

- there shall be no requirement for equal division of batting time or overs for two-day games innings shall conclude as laid down in By-Law 6.2.1.4.
- on any day where more than 30 minutes of play is lost, that day's play shall cease at the prescribed finishing time, irrespective of the number of overs bowled.
- unless a clear-cut result is obtained (that being a firstinnings decision, an outright win, or an outright tie), the match result shall be deemed a draw

For the purposes of this rule, the delayed commencement provision shall not apply to one-day games, which shall be played as outlined in By-Law 6.2.2

6.3 Special Playing Conditions and Safety Rules

6.3.1 Batting Restrictions

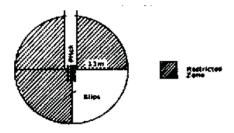

6.3.1.1 Batsmen must retire compulsorily (not out) immediately they attain the following score:

Two day games: U18 - 100; U16 & U14 - 50; U12 - 30.

One day games: U18 – 50; U16 & U14 – 40; U12 -20.

Batsmen may also voluntarily retire (not out) on any score up to the limits as above.

- 6.3.1.2 All under 12 (excluding Rookies) and under 14 participation grades:
 - for Two-day games, all batsmen must bat for a minimum of 2 overs unless dismissed.
 - -for One-day games, all players must either bat for a minimum of 2 overs unless dismissed, or bowl 2 overs minimum, or wicket-keep for 50% of the fielding innings.
 - (Note: U14 participation grades are C Grade and below)
- 6.3.1.3 Retired batsmen may resume their innings under the following conditions:
 - After all other batsmen have been dismissed or have retired.
 - Where two or more have retired, resumption in ascending order of score, ie. lowest score first.
 - A batsman cannot retire to be replaced by a previously retired batsman who has a higher score. (For example, a batsman on 15 cannot be retired to be replaced by a batsman who retired on 20.)
 - A batsman who retires hurt is not subject to these conditions.
- 6.3.1.4 All batters taking the field in U12's, U14's & U16 grades must wear an approved helmet at all times during their innings.

6.3.1.5 All wicketkeepers taking the field in U12 & U14 participation grades must wear an approved helmet at all times during their time behind the stumps. U14 non-participation, U16 & U18 grades wicketkeepers must wear a helmet when standing up to the stumps.

6.3.2 Bowling Restrictions

- 6.3.2.1 No over in all under age grades shall exceed eight deliveries including wides and no balls, except for the last over of an innings that must contain six legitimate deliveries.
- 6.3.2.2 For medium paced bowlers or faster, the maximum length of a spell in any age group is 4. For simplicity, a medium pacer is defined as anyone bowling seam up, and not spinning the ball. Once a spell reaches 4 overs, the bowler must rest for a number of overs double the length of the spell bowled. eg: a medium pacer who bowls a 4 over spell must not bowl again until 8 overs have elapsed (4 from each end). Drinks breaks do not count as a break in a spell.
- 6.3.2.3 The maximum number of overs that a player may bowl in an innings is as follows:

Two day games in the first 40 overs:

U16 and U14 - 8 overs

U12 - 6 overs

One day games:

4 overs per bowler

When an innings exceeds the standard overs (40), a bowler may bowl up to 4 additional overs.

- 6.3.2.4 All under 12 (excluding Rookies) and Under 14 participation grades:
 - for Two-day games, the minimum number of overs that every player must bowl is 2 overs, or keep wicket for at least 15 overs.
 - for One-day games, all players must bat for a minimum of 2 overs unless dismissed, or bowl 2 overs minimum, or wicket-keep for 50% of the fielding innings.

(Note: U14 participation grades relate to C Grade and below)

- 6.3.2.5 Where a player bowls an over or overs in excess of the maximum overs stated above in any innings and this situation is detected prior to completion of innings, the excess overs shall be regarded as cancelled and any resulting runs scored, or wickets lost during these overs shall not apply.
- 6.3.2.6 Any delivery that reaches the batsman on the full, at belt height or higher shall be called "no ball", regardless of the speed of the bowler.
- 6.3.2.7 Part-Over Incapacity or Suspension

A part of an over bowled under the provisions of Law of Cricket 22.8 shall count as one full over in the limit of each bowler concerned in that over, (ie. both bowlers count their part over as one full over in all games that have a limit on overs bowled by a player.)

6.3.3 All Grades

- 6.3.3.1 A team that has less than 11 players available on the first day of a home-and-away game shall be permitted to include additional players in its team on the second day providing that such players were registered with the Association prior to the commencement of the game.
- 6.3.3.2 All games shall be played on synthetic or turf surfaces.Bare concrete surfaces are not permissable.
- 6.3.3.3 All teams shall use a SECA approved ball in accordance with senior by- law 4.5.5. Balls used in the U12 and U14 grades shall be of 142-gram in weight. U16 and U18 shall use 156-gram balls.

6.3.4 Nomination of Teams

6.3.4.1 Home-and-Away Games

For home-and-away matches, junior teams shall be limited to 13 players (U12c 11 players). More than 11 players may bat or bowl, but a team's innings is complete at the fall of the 10th wicket. All players in the team must bat before a retired batsman returns to the crease (see 6.3.1.2).

In any completed match, where individual players neither batted nor bowled, they cannot be included in the official team results (except as a substitute) unless the team numbers do not exceed 11.

Nb. U12c is played under Stage 2 format – 9 players/fielders, 8 wickets to fall and 11 players maximum can participate.

6.3.4.2 Finals Games

All nomination of teams shall be as per home-and-away games.

6.3.4.3 No player's name shall be added to the official match results in PlayHQ after the deadline for full results entry (currently Monday 8pm following the round's completion). This also applies to teams receiving a walk-over, forfeit or bye. A team giving a walk-over cannot nominate any team members for that round.

6.3.5 Under 12 & 14 Grades Only

6.3.5.1 If a player enters the restricted area shown in the diagram below before the bowler releases the ball the umpire shall prevent delivery of the ball.

6.3.5.2 Dangerous Deliveries

The bowling of dangerous short pitched balls and waist-high full tosses is to be actively and energetically discouraged in all grades of junior competition.

The Laws of Cricket No. 41 "Unfair Play" provide for bowlers to be taken off.

Any ball that reaches the batsman from the pitch above shoulder height in normal batting stance shall be called a no-ball.

6.3.5.3 Junior Finals Games

and these will be advised to clubs.

The special playing conditions set out herein shall apply to a I I grades in junior finals games. The safety rules where designated herein shall apply to Under-12 and Under-14 grades in junior finals games.

6.3.6 Modified rules for Rookies competition (Stage 1 format) Regulations will be as determined by the Junior sub-committee

6.3.7 Max Nbr Of Games To Be Played By Juniors in one round

No junior player shall be named in more than one under-age team on any given weekend, including the SECA Friday twilight competition and non-SECA competitions. Exception — a player may play on the same weekend with a SECA junior team on a Saturday and with a non-SECA team in a Friday-only or Sunday-only competition, or vice-versa, provided that the player eligibility clauses of both Associations are met. In addition to playing one junior game weekend (including Friday twilight), junior players are permitted to play in one senior SECA game per weekend provided that the conditions of By Law 4.7 are met.

A "fill-in" player is allowed, if age qualified, but must play no more than 4 games in total for the season and are requested to be of an appropriate ability for the grade.

6.3.8 Cancellation Of A Round's Results

Where more than 50% of games in a particular grade are abandoned due to poor weather or ground conditions in a one-day game or on day 2 of a two-day game, all games in that grade will be deemed drawn regardless of whether some matches were completed, and 3 points will be awarded to each team. However, if a first innings result was achieved on the first day of a two-day game then six points will be allocated to the winning team and zero points to the losing team of that game. Scores recorded up to the abandonment remain valid.

By-Law 7 – Player Code of Conduct

7.1 Dress

- 7.1.1 Clubs are required to ensure that all players are dressed in white or cream cricket attire or they shall not be permitted to participate. Official umpires have the authority to eject a player from the field until the attire is considered satisfactory. Fines will apply to clubs whose players regularly breach this dress code.
- 7.1.2 Cricketing attire is defined as full length trousers, shirt, jumper (optional), all of which must be white or cream plus optional head wear. Footwear and socks, in all Shield Grade two-day games must also be predominantly white.
- 7.1.3 Headwear shall be restricted to cricket caps of the participating teams, white or broad brimmed cricket hats or other style caps providing they display no wording or design other than that of the club.
- 7.1.4 Players cannot participate with sprigs or spikes in their footwear.
- 7.1.5 Only players under 16 years may wear short trousers.
- 7.1.6 SECA Representative caps and shirts are to be worn only in inter-association games and not during club games.
- 7.1.7 Association Executive approval is required for any on-field team clothing that features club colours, sponsor names or logos or the like.

7.2 Conduct

7.2.1 All games shall be conducted in the true spirit of the game of cricket and club officials, team managers, captains and players are required to adopt this policy and ensure that whether on or off the field of play, they do not engage in any conduct that is unbecoming to the game of cricket.

7.2.2 All players shall

- respect the umpire;
- · not verbally or physically abuse any umpire;
- not dispute the umpire's decision nor react in a threatening or disapproving manner;
- when given out, move immediately and not indulge in tantrums;
- · generally assist umpires in carrying out their duties;
- not indulge in "sledging" or other verbal abuse or physical abuse of opposition players or officials;
- · refrain from smoking on the field of play during matches;
- refrain from consuming alcohol during the course of a game
- 7.2.3 Clubs shall place each team under the control of a responsible person.
- 7.2.4 Captains shall instruct their players to:
 - 7.2.4.1 avoid wasting time incoming and outgoing batsmen should pass inside the boundary line and fieldsmen should move quickly to position at all times;
 - 7.2.4.2 comply with dress and behaviour requirements and conduct themselves in a manner that conforms to the traditional image of the game of cricket.
- 7.2.5 Each club will be held accountable for the behaviour of their supporters and players.

7.3 Improper Dress And Conduct

Umpires shall immediately intervene in any breach of the dress or conduct requirements and, where appropriate, seek the support of the captain/s in correcting the situation. The umpire(s) shall report serious instances of misconduct to the Association, in accordance with the provision of By-Law 2.8 (Protests, Reports, Appeals, Disputes)

By-Law 8 – Umpires

8.1

- 8.1.1 To officiate at an Association match an umpire must be a financial member of the South East Cricket Umpires' Association, except as provided for in Rule 8.10.
- 8.1.2 The fees payable shall be paid by each competing team prior to the scheduled commencement time on any day of a game. (Refer Penalties)
- 8.1.3 Home clubs are to provide umpires where possible with a separate room or at least a designated private area within the clubrooms.

All areas must include a table and at least two seats.

- **8.2** All umpires must wear attire approved by the Association when officiating and be at the ground thirty (30) minutes before the scheduled time of starting each day.
- **8.3** An official of each team must check their watches with the umpires before the commencement of play.
- **8.4** The umpires shall notify each captain when it is five minutes to the scheduled starting time.

8.5

- 8.5.1 Any umpire unable to act or who will be late must endeavour to contact the Association no later than 12 noon on the day in question.
- 8.5.2 Appointed umpires must attend their ground regardless of weather conditions unless released under By-Law 8.5.1.
- 8.5.3 In the event of an umpire arriving late he shall immediately assume his duties, replacing any persons acting in his stead.
- **8.6** Umpires must report any breaches of the Association rules and in particular.
 - 8.6.1 Faulty wickets or material
 - 8.6.2 Any club who allows a player to appear in incorrect uniform.
 - 8.6.3 Any improper conduct by a player (By Law 7.2).
- **8.7** Umpires shall submit a report on each match in which they officiate, in a manner as directed by the Executive.
- **8.8** Umpires shall retain possession of the match balls during all adjournments of play.
- 8.9 Fitness of Ground, Weather & Light (Laws of Cricket 3.8).
 - 8.9.1 The Umpires shall be the sole judges of the fitness of the ground, weather and light for play.
 - 8.9.1.1 However, before deciding to suspend play or not to start play or not to resume play after an interval or stoppage, the Umpires shall establish whether both Captains (the Batsmen at the wicket may deputise for their Captain) wish to commence or to continue in the prevailing conditions; if so, their wishes shall be met.

- 8.9.1.2In addition, if during play, the Umpires decide that the light is unfit, only the batting side shall have the option of continuing play. After agreeing to continue to play in unfit light conditions, the Captain of the batting side (or a Batsman at the wicket) may appeal against the light to the Umpires, who shall uphold the appeal only if, in their opinion, the light has deteriorated since the agreement to continue was made.
- 8.9.2 After any suspension of play, the Umpires, unaccompanied by any of the Players or Officials shall, on their own initiative, carry out an inspection immediately the conditions improve and shall continue to inspect at intervals. Immediately the Umpires decide that play is possible they shall call upon the Players to resume the game.

8.10 CLUB UMPIRES

- 8.10.1 When only one official umpire is in attendance, the batting team shall supply a striker's end (square leg) umpire. When no official umpire is in attendance, both teams may each supply a Club umpire. If the fielding team cannot do so, the batting team shall supply persons to umpire at both ends.
- 8.10.2 An umpire must be aged 16 years or more. Exception A person aged 14 or 15 may officiate at square leg only, with the approval of the opposition captain. Teams must ensure that Club umpires have a reasonable knowledge of the Laws of Cricket and SECA rules but need not be members of the participating teams.
- 8.10.3 If the captain of the opposition team has concerns about the ability of a Club umpire to perform his duties satisfactorily, he may request the other captain to replace that Club umpire. This request should not be made merely due to one or more disputed decisions, but because of the umpire's obvious lack of knowledge of the Laws or repeated examples of his inability to carry out the role in a reasonable manner. Such a request shall not be unreasonably declined.
- 8.10.4 Club umpires must be appropriately attired, ie. trousers or shorts, shirt, enclosed footwear (bare feet or thongs not acceptable), and SECA sponsors vest as provided.

8.11 UMPIRES' FEES

Refer by-Law 4.03 for all Umpire payment rates

By-Law 9 – Health & Safety

9.1 Extreme Heat Policy

9.1.1 Measure of Temperature

Air temperature is to be established by utilising the official Bureau of Meteorology smartphone app, citing the current temperature in the "Moorabbin" area (not the actual game location). The same shall also be used as reference for forecast temperatures.

9.1.2 Junior Matches

Note Sports Medicine Australia notes that pre-adolescents have greatly reduced capacity to lose heat through sweating, and advises that extra precautions should be adopted by clubs in hot weather (see in particular By-Laws 4.7.7 and 9.1.6)

- 9.1.2.1 In all junior matches, games shall not be played while the temperature is 37.0 degrees or higher. The conditions applying to inclement weather shall apply (see 6.2.1. and 6.2.2) unless otherwise stated in this section.
- 9.1.2.2 For Friday twilight games, if play is unable to commence by 5.30 pm then play will be abandoned if it is the first day of a two-day game and the game will revert to a one-day match at the next scheduled match date. In the event it is a one-day game, the game will be cancelled and called a draw. If the Bureau of Meteorology's forecast maximum temperature for the Moorabbin area for a Saturday is 37.0 degrees or higher, as forecast on the preceding Friday, all junior games shall start at 8.15 am, and bowling is to be done in 10 over blocks at alternate ends to save time.
- 9.1.2.3In all games where this By Law applies, the SECA Executive will make the final decision on the official temperature on any given day.

9.1.3 Senior Matches

Shield Grades

- 9.1.3.1 If the official Bureau of Meteorology maximum forecast displayed at 9:00am on the day of the game is 39 degrees or above, play in all Shield grade games is automatically cancelled for that day. (Clubs should refer to the SECA website and other media outlets for confirmation.)
- 9.1.3.2 Play shall not commence or continue while the temperature is 39 degrees or higher. Play MUST be suspended until the temperature drops below 39 degrees. If the temperature remains at 39 degrees or higher for more than an hour of the scheduled playing time, play MUST be abandoned for the day. The time at which the game was suspended or abandoned, and the relevant temperatures, must be recorded in both scorebooks and in the online match results.
- 9.1.3.3 Where captains cannot agree on whether the match

should be abandoned, the aggrieved party may lodge a protest (contact SECA secretary within 48 hours). The SECA Executive will then make a ruling and allocate points as it sees fit.

Note: SECA is aware of the potential for captains to abuse this rule.

Example: insisting on abandoning a match when the temperature is 38°C in order to salvage points from a match that their team is clearly going to lose. SECA will use Bureau of Meteorology records to determine what the actual temperature really was.

9.1.3.4 The appropriate by-laws pertaining to interruptions and delays caused by inclement weather shall also apply to extreme heat (See also By-laws 4.7.7 and 9.1.6.)

Standard, Reduced Overs and One-Day Grades

- 9.1.3.5 If the official Bureau of Meteorology maximum forecast displayed at 9:00am on the day of the game is 37 degrees or above, play in all these grades is automatically cancelled for that day. (Clubs should refer to the SECA website and other media outlets for confirmation.)
- 9.1.3.6 In all these grades, play shall not commence or continue while the temperature is 37 degrees or higher. If the temperature remains at 37 degrees or higher for more than an hour during the scheduled time of play, play MUST be abandoned for the day. The relevant provisions of By-laws 9.1.3.2, 9.1.3.3 and 9.1.3.4 also apply. (See also By-laws 4.7.7 and 9.1.6.)

9.1.4 Appeals Process

Where agreement cannot be reached on what the actual temperature is, a protest to the SECA secretary shall be lodged within 48 hours of the date of the match. The SECA will rule on the Protest based on the Bureau of Meteorology internet records from Moorabbin weather station (www.bom.gov.au).

9.1.5 Cancellation of a Round's Results

Where more than 50% of games in a particular grade are abandoned due to excessive heat in a one-day game or on day 2 of a two-day game, all games in that grade will be deemed drawn regardless of whether some matches were completed, three points will be awarded to each team and scores recorded up to the abandonment remain valid. However if a first innings result was achieved on the first day of the game then six points will be allocated to the winning team and zero points to the losing team of that game.

9.1.6 Risk Management

9.1.6.1 When the forecast maximum ambient temperature for the day is 35°C, SECA recommends that players 16 years of age or younger do not participate in both junior and senior matches on the same day. Clubs are requested to be sensible on this issue to ensure player welfare.

- 9.1.6.2 When the forecast maximum ambient temperature for the day is 35°C, SECA recommends that:
 - (i) fast/medium bowlers under the age of 18 years do not bowl more than 6 overs consecutively
 - (ii) senior fast/medium bowlers do not bowl more than 10 overs consecutively.

Clubs and officials are reminded that the welfare of their players should be their primary concern.

- 9.1.6.3 SECA recommends that once the ambient temperature exceeds 29°C, that a drinks break be taken every 40 minutes in all matches. Junior players should be specifically warned of the need for proper rehydration (at least 500ml per hour).
- 9.1.6.4 SECA recommends that when the ambient temperature exceeds 29°C, in junior matches fielders and bowlers can be rotated with substitute players where available.
- 9.1.6.5 SECA recommends the use of broad-brimmed white hats and shirts with 3/4-length sleeves for all players, as this reduces overheating by minimising exposure to radiant heat (direct sunlight).
- 9.1.6.6 Any player feeling unwell should be removed from the playing field immediately and seated in a shaded area to recover. Medical assistance should be sought if thought necessary. Parents of junior players should not be discouraged from removing their child from the field if they feel conditions are too hot.

9.2 Thunderstorms And Lightning

9.2.1 Suspension of play due to lightning

Suspension and resumption of play should follow the "30/30" rule. Play should stop when flash to bang count is 30 seconds, since this indicates that lighting is 10km away, and associates significant risk that the next lightning strike could be at observer's location. Play should be suspended, and players moved to designated safe shelters. Play should not resume until 30 minutes after the last lightning strike.

9.2.2 Suspension of play due to thunderstorms

Play should cease immediately and remain suspended while a thunderstorm is active in the immediate vicinity. Players should move to a safe shelter.

- 9.2.3 Safe shelters include a car or large substantial building (with electricity, plumbing or telephone wiring) to provide a safe current to ground.
- 9.2.4 Unsafe locations and situations include an open field, trees, tents, benches, picnic shelters, the use of phones, umbrellas, golf clubs or any object which increases an individual's height.

9.3 Sunsmart Policy

- 9.3.1 All clubs playing in the SECA should adopt a sunsmart policy and be required to provide SPF 30+ as part of their first-aid requirements.
- 9.3.2 All clubs playing in the SECA should encourage all players to wear broad- brimmed hats or caps, shirts or tops which have long sleeves and a collar, as well as sunglasses to protect the eyes.

9.4 Blood Rule

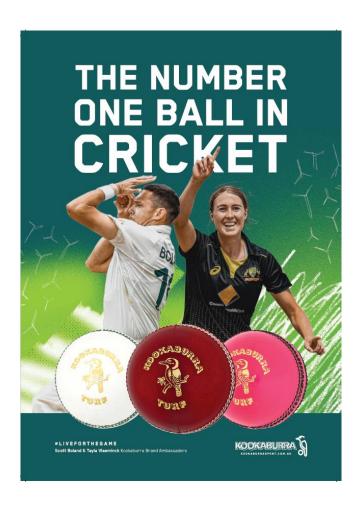

- 9.4.1 Where a player or umpire involved in a match controlled by the SECA suffers an injury causing bleeding, that person should immediately retire from the game until such time as first-aid has been administered to prevent further bleeding. The injured player should not resume until the bleeding has ceased.
- 9.4.2 An injured batsman who has temporarily retired and is unable to return after the fall of the ninth wicket, should be recorded in the scorebooks as "retired hurt" and the innings should be deemed closed.
- 9.4.3 Where an injury occurs to a batsman involved in a tenth-wicket partnership, a maximum of five minutes will be allowed in order for the batsman to obtain treatment. If the injury occurs within 30 minutes of a scheduled interval, the interval shall be taken immediately. If the batsman is unable to resume after the early interval, he shall be recorded in the scorebook as "retired hurt", as described in 9.4.2 above.
- 9.4.4 Where an injury occurs to an umpire, he must leave the field for treatment, the umpire shall officiate at both ends and the team batting will provide a competent person to stand at square leg until the injured umpire is able to resume.
- 9.4.5 Where an injury causing bleeding occurs to a fielder, the fielder must leave the field for treatment immediately and if no substitute is available the batting side will provide a substitute fielder.

9.5 First Aid

It shall be the responsibility of all home clubs participating in SECA matches to provide a first-aid kit. It is highly recommended that the St. John's Ambulance or RACV sports kits be provided. In matches where there is a pavilion, ice packs should be made available.

9.6 Car Parks

Players, officials, and spectators who park their cars adjacent to cricket grounds do so at their own risk. Clubs should discuss with their Council the danger involved and arrange signage or other appropriate action
